ANNOTATED AGENDA¹

Time	<u>25 July</u>
14:00	Registration of participants
15:00-15:30	<p><u>Opening remarks:</u></p> <p>H.E. Ambassador Ihor PROKOPCHUK, Chairperson of the OSCE Permanent Council</p> <p>H.E. Ambassador Lamberto ZANNIER, OSCE Secretary General</p> <p>Moderator: Mr. Alexey LYZHENKOV, Co-ordinator of Activities to Address Transnational Threats</p>

¹ This conference is organized in accordance with PC.DEC/1048 «OSCE Concept for Combating the Threat of Illicit Drugs and the Diversion of Chemical Precursors», adopted on 26 July 2012, which in the context of the OSCE's contribution refers to, inter alia, "...holding as appropriate and preferably annually, focused, results-oriented, OSCE-wide conferences on combating the threat of illicit drugs and the diversion of chemical precursors, as well as regional and subregional workshops and expert seminars in co-operation, when necessary, with other organizations having a mandate in this area".

<p>15:30-18:00</p>	<p>SESSION I</p> <p>The illicit drugs market on the Internet and challenges to combat it</p> <p>Keynote speakers and participants will share information on current trends in the supply of illicit drugs such as heroin, cocaine, cannabis, synthetic drugs, and the diversion of precursor chemicals in the OSCE area on the Internet, including modes of website hosting, connections between buyers and sellers, and means of delivery of purchased items. They will raise awareness of the risks and threats posed by the online trade of illicit drugs and controlled substances. They will discuss the efforts of law enforcement agencies on operational response to prevent illicit drug supply through the Internet, measures undertaken by the participating States and assistance of the private sector in this endeavour. They will exchange information and best practices on new investigative methods for combating the illicit drugs market on the Internet. Given that the wide reach of the Internet has now made all types of information available cheaply and to a much wider range of people, participants will further explore the opportunities to use the Internet for drug awareness campaigns.</p> <p>Keynote Speakers:</p> <p>UNODC - Mr. Adam PALMER - Senior Expert, Cybercrime</p> <p>EMCDDA - Ms. Liesbeth VANDAM - Scientific Analyst</p> <p>Ukraine - Mr. Volodymyr TYMOSHENKO - The Chairman of the State Service of Ukraine on Drugs Control</p> <p>Russian Federation - Mr. Alexey GAVRILOV - Head of Directorate, Federal Drug Control Agency</p> <p>Turkey - Mr. Bilal SEN - Director of International Operations, Cyber Crimes Department TNP</p> <p>Moderator: Mr. Vladimir CIOBAN - Chief of Anti-Drug Department, Ministry of Interior, Moldova</p>
