HUMAN DIMENSION IMPLEMENTATION MEETING Warsaw, 29 September - 10 October 2008

INFORMATION FOR ORGANIZERS OF SIDE EVENTS

NGOs, governments, and other participants are encouraged to organize side meetings on relevant Human Dimension issues.

¹ Side meetings/events provide an opportunity for the participants to discuss issues that have not been fully covered during the working sessions since only limited time is assigned to each of the topics. Side meetings/events are meant to facilitate informal discussions between representatives of governments, NGOs and International Organizations. HDIM participants actively used this opportunity in the past.

The ODIHR will co-ordinate side events organization and make necessary logistical arrangements. The organization convening a side event will be responsible for its content, which will not necessarily reflect the views of the OSCE.
