

2016 HUMAN DIMENSION IMPLEMENTATION MEETING  
 Warsaw, 19 September 2016  
 Democratic Institutions

**The international association of independent democrats against authoritarian regimes.**

Dear Ladies and Gentlemen,

**There are dictatorship states: AZERBAIJAN, BELARUS, UZBEKISTAN, TURKMENISTAN, KAZAKHSTAN and aggressive RUSSIA.**

You have our statements about Human Rights violations in dictatorship states for fourteen (14) years.....

We know the dictatorships have names for Democratic Institutions but it is only decoration.

The OSCE ( and the West) had many examples that those states (dictatorships) have **no** Democracy and Human Rights for citizens.

Today. **The big show “Elections” in Belarus. It was not elections—was the total falsification.**

What is the sense to give the next example by our statement? A dictatorship is the dictatorship, it cannot to transform into a Democracy.

We know only revolution can remove the dictatorship . It is a historic truth.

But we would like to ask states of European Union about their Democratic Institutions.

**Do they work or do the not work in your states ?**

Why is this question?

We see democratic states of European Union have the very active collaboration with dictatorial states at this year.

What is the reason for this active collaboration?

Where are the democratic values and Human Rights of the EU member states?

Why cannot ODIHR SEND an appeal to collaborators?

**Please remember: the region of OSCE has the dictatorial states!**

**Please , DON'T FORGET the dictatorships violate Human Rights every day.**

**The collaboration with the dictatorship is immoral first of all, but it violates all democratic conventions and agreements also .**

Thank you for your attention
