EU Statement on the Republic of Moldova and Ukraine

The EU wishes to draw your attention to the following declaration made yesterday by the Presidency of the European Union:

“High Representative Javier Solana and Commissioner Benita Ferrero-Waldner today formally launched the European Union’s Border Assistance Mission to Moldova and Ukraine at an inauguration ceremony in Odessa, Ukraine.

The deployment of the EU Border Assistance Mission marks an important step in the development of cooperation between the EU and the Moldovan and Ukrainian authorities in the fight against weapons trafficking, smuggling, organised crime and corruption. The Mission is also part of the EU’s ongoing commitment to helping to improve security and stability in the region. In this respect, the EU hopes that the Mission will contribute to efforts to find a viable and sustainable solution to the Transnistria conflict.

The Presidency of the European Union is grateful to the Republic of Moldova and Ukraine for their cooperation in the preparation of the Mission and looks forward to their continued support. The Presidency also acknowledges the contributions of EU Member States, the EU Special Representative and his staff, and the European Commission, whose efforts have enabled the Mission to be set up so quickly.”

The Acceding Countries Bulgaria and Romania, the Candidate Countries Turkey and Croatia¹, the Countries of the Stabilisation and Association Process and potential candidates Albania, Bosnia and Herzegovina, the former Yugoslav Republic of Macedonia, Serbia and Montenegro, align themselves with this declaration.
