Compliance procedures in international environmental law (Europe)

- Compliance mechanism under Aarhus Convention
- Implementation Committee under Espoo Convention
- Inquiry procedure under Bern Convention
- Compliance mechanism under PRTR Protocol
- Compliance mechanism under Water & Health Protocol
- Compliance mechanism under Water Convention

The Aarhus Convention

- Compliance mechanism = Compliance Committee + Meeting of the Parties
- Compliance Committee:
 - 9 members
 - 4 meetings/year

Legal basis

Article 15

"The Meeting of the Parties shall establish, on a consensus basis, optional arrangements of a non-confrontational, non-judicial and consultative nature for reviewing compliance with the provisions of this Convention. These arrangements shall allow for appropriate public involvement and may include the option of considering communications from members of the public on matters related to this Convention."

Legal basis

- Set up by the decision I/7 of the 1st Meeting of the Parties, 2002
- Modus Operandi (rules of procedure)

Compliance Committee's functions

The Committee shall consider:

- □ Submission by the parties
- □ Referrals by the Secretariat
- □ Communications by the public

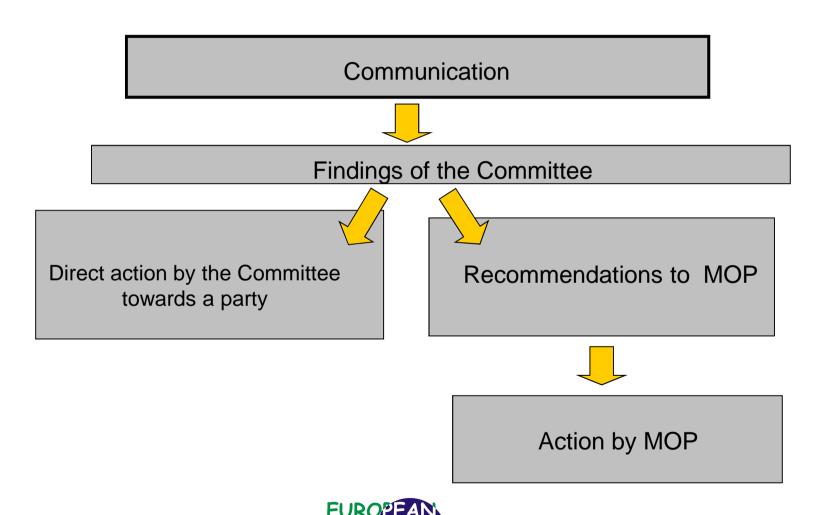

about party's compliance with its obligations under the Convention

Overall process

Receipt of Communication

Circulation of Communication

Determination of Admissibility

Response by a Party

Public Hearing

Draft Findings & Recommendations

Final Decision (Findings & Recommendations)

What's Admissibility of a case?

- Formal requirements
- First Step in Consideration
- Basis: Decision I/7, para 20-21

Determination of admissibility

- Initial by Secretariat
- Preliminary by the Committee
- Final by the Committee
- Communication gets a number
- Case opened
- Case becomes public

Response by a Party

- Forwarding communication
 - After preliminary admissibility
 - May include specific questions
 - May include questions to communicant
- Response within 5 months from the date of forwarding
- May raise the issue of admissibility

Public hearing

- Allows a discussion in open session
- Equal opportunities for parties concerned
- Has critical importance on case outcomes
- Maybe complicated by confidentiality

Draft findings & recommendations

- Are prepared by the curator
- Discussed and approved by the whole Committee
- Are sent to parties concerned for comments

Draft findings & recommendations

- Structured:
 - Introduction
 - □ Summary of facts
 - Consideration and evaluation by the committee
 - □ Conclusions
 - Findings
 - Recommendations

Final decision by the committee

- Findings and Recommendations
- Adopted at a ACCC meeting
- Annexed as Addendum to ACCC's meeting report
- Case is closed (followed up, though)

MOP's competence

- a) Provide advice and facilitate assistance to individual Parties regarding the implementation of the Convention;
- b) Make recommendations to the Party concerned;
- c) Request the Party concerned to submit a strategy, including a time schedule, and to report on the implementation of this strategy;
- In cases of communications from the public, make recommendations to the Party concerned on specific measures to address the matter raised by the member of the public;
- e) Issue declarations of non-compliance;
- f) Issue cautions;
- g) Suspend the special rights and privileges accorded to the Party concerned under the Convention;
- h) Take such other non-confrontational, non-judicial and consultative measures as may be appropriate.
