

HATE MONITOR

JUNE 2015

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

Highlighted

On 30 June 2015, the Brčko District BiH Government organized a presentation on their Community Cohesion Action Plan (CCAP), showing commitment of local authorities to properly and timely address hate incidents when they occur and to initiate prevention activities in the community.

The Hate Monitor provides an update on all hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report each month.
