

# HATE MONITOR

FEBRUARY 2015

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

On 3 February 2015, the Goražde No Hate Team organized a visit for 15 young people from Goražde (FBiH) to neighbouring Foča (RS). The exchange was organized in co-operation with the OSCE Mission to BiH and provided an opportunity for the participants to plan joint activities and future co-operation among youth in the two municipalities.

The Hate Monitor provides an update on all hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report each month.
