

HATE MONITOR

JANUARY 2019

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

Highlighted

In January, Coalitions against Hate from Bijeljina, Zvornik and Teočak finalized their local Community Cohesion Action Plans. These plans were developed jointly with local authorities, and showcase positive developments in strengthening co-operation between the public and civil sectors.

The Hate Monitor provides an update on all potential hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report.
