

353rd Plenary Meeting

FSC Journal No. 359, Agenda item 4

**DECISION No. 6/02
AGENDA, MODALITIES AND TENTATIVE TIMETABLE FOR THE
EXPERT MEETING ON COMBATING TERRORISM WITHIN
THE POLITICO-MILITARY DIMENSION OF THE OSCE**

(Vienna, 14 to 15 May 2002)

1. Context

The Bucharest Plan of Action for Combating Terrorism commits participating States to “use the FSC to strengthen their efforts in combating terrorism through full and timely implementation of all relevant measures agreed by the OSCE”, enhancing the implementation of existing politico-military commitments, in particular the Code of Conduct on Politico-Military Aspects of Security and the Document on Small Arms and Light Weapons, and to examine the relevance of its other documents and assess whether there is a need to develop additional norms and measures. Moreover, each OSCE body called upon to take action under the Bucharest Plan is to prepare a “road map” for implementation of the tasks.

Against this broader background and particularly in the light of recommendations made in the Bishkek Programme of Action, an idea of convening a meeting of experts on terrorism has gained wide support in the FSC. Such a meeting will be a part of the FSC road map in the context of the overall FSC effort to implement the Bucharest Plan of Action for Combating Terrorism. The meeting will be held and organized under the authority of the FSC and will focus on exchanging information and assessments on the threat of terrorism in the OSCE area. Against that background it will be able to take stock of the existing politico-military instruments, while it will be up to the FSC to consider implications, if any, and draw possible conclusions in its further work under the road map.

2. Objectives

- To exchange information, analyses and assessments about the threat of terrorism in its politico-military aspects drawing upon expert keynote presentations;
- To take stock of the instruments available within the politico-military dimension of the OSCE for countering the threat identified and to share information on the action taken;
