INFORMATION FOR CIVIL SOCIETY

The Helsinki Document of 1992 (Chapter IV) called for increased openness in OSCE activities and for expanding the role of NGOs. In particular, in paragraph (15) of Chapter IV, the participating States agreed to facilitate informal discussion meetings between representatives of participating States and NGOs during OSCE meetings. The Helsinki document also stated that aforementioned provisions will not be applied to persons or organizations which resort to the use of violence or publicly condone terrorism or the use of violence.

In line with these agreements, the OSCE invites civil society organizations to the Supplementary Human Dimension Meeting (SHDM) to be held on the subject of “Child Trafficking - From Prevention to Protection”.
