

TURKISH NAVAL FORCES

TURKEY'S CONTRIBUTION TO THE MARITIME SECURITY

Alp KENANOGLU
Captain
Turkish Naval Forces

TURKISH NAVAL FORCES

- 70 % of the earth surface covered by sea.
- 2/3 population lives within 100 miles of coast.
- Over 150 of the 192 member states of the UN are littoral states.
- 99 % of int'l trade conducted by 50.000 ships servicing 4.000 ports.

TURKISH NAVAL FORCES

In today's world

Concerns about Maritime Security

Safeguarding the Maritime Domain

Globalization

**Positive
&
Negative
Effects
over the
seas**

**This trend will
continue
in the future.**

TURKISH NAVAL FORCES

**Global security is inseparable with
the security of the global economy.**

**Effects of
security crisis
at seas**

**All around
the globe**

TURKISH NAVAL FORCES

A Natural Energy Bridge

CONTEMPORARY SILK ROAD

Energy Hub

TURKISH NAVAL FORCES

Turkey's Maritime Jurisdiction Areas

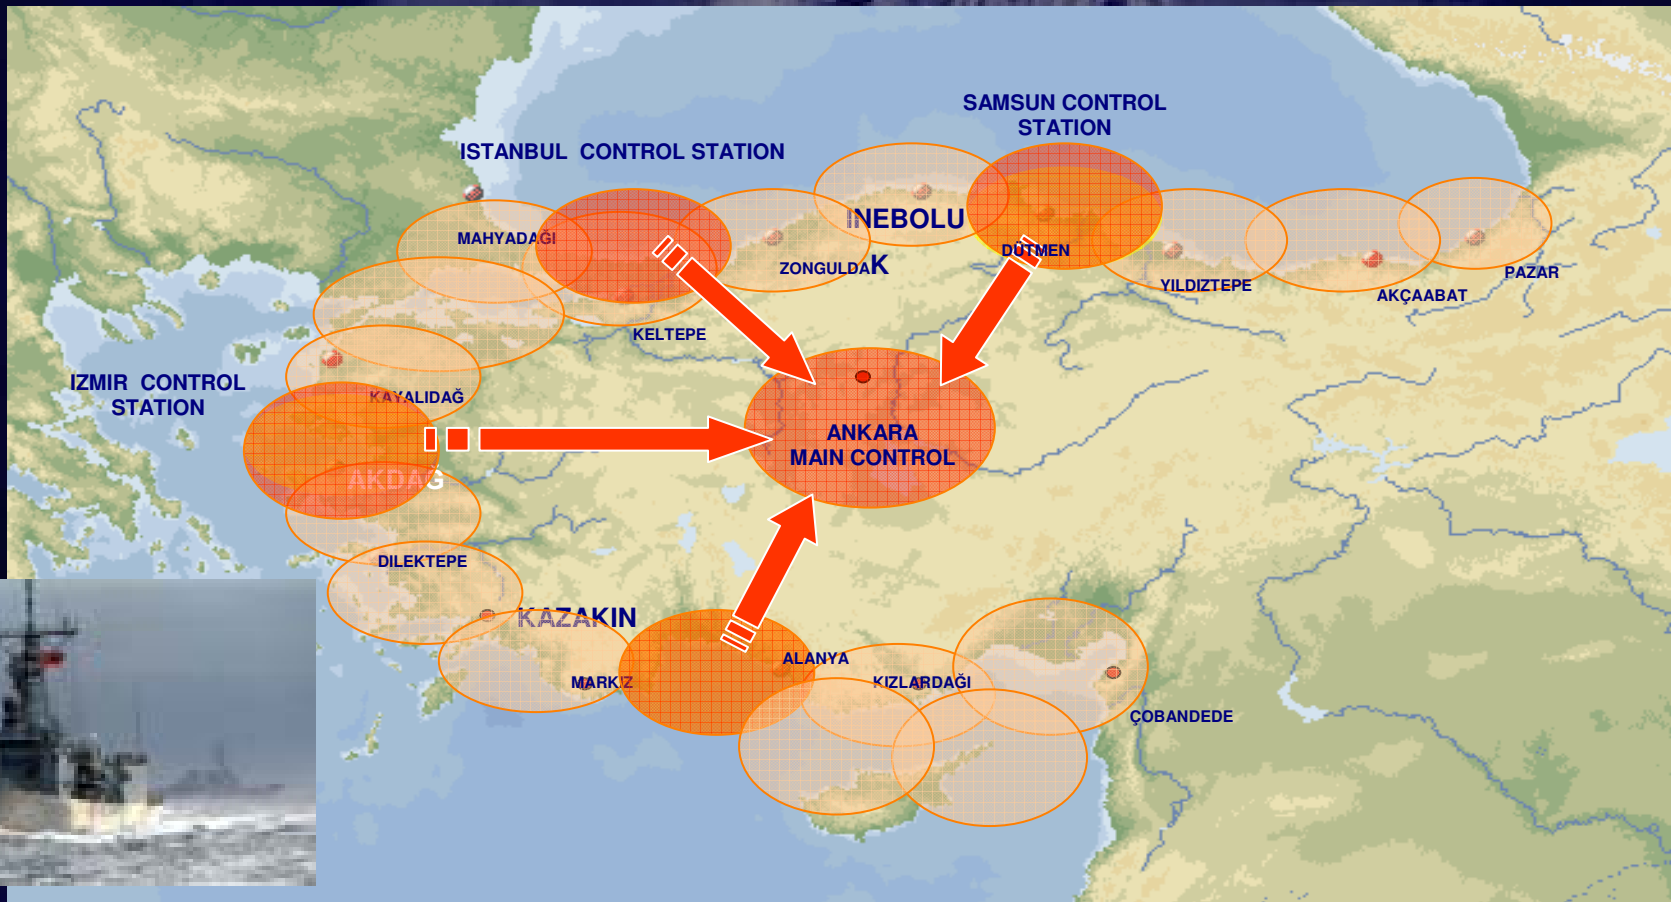

**More Vital and
Important Than Before**

TURKISH NAVAL FORCES

Integrated Coastal Surveillance Radar Stations and Automated Identification System (AIS)

TURKISH NAVAL FORCES

Baku-Tbilisi-Ceyhan
Kerkük-Yumurtalık
Samsun-Ceyhan
pipe lines

The amount will increase up to 190 million tons of oil per year.

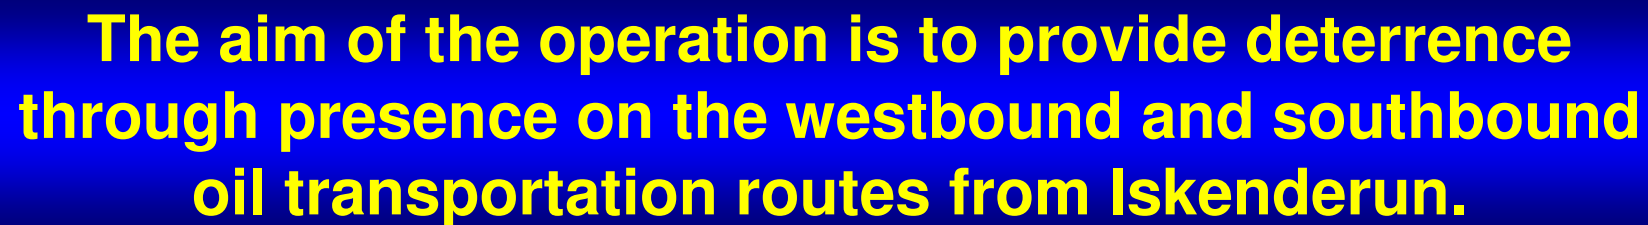

Sea lines of communication will become new life lines of world energy network.

Operation Mediterranean Shield

OMS

01 April 2006

TURKISH NAVAL FORCES

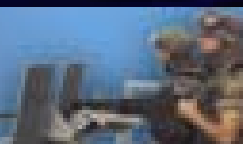

INTERNATIONAL MARITIME ORGANIZATION

NATO
OTAN

*Active
Endeavour*

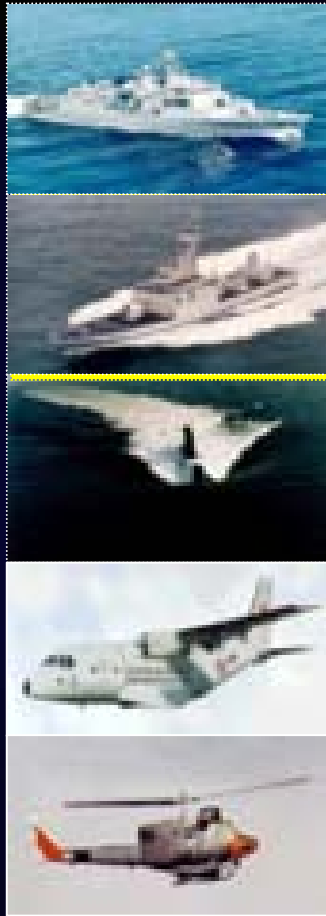

Maritime traffic information obtained through the operation has been shared with relevant military headquarters and operations of the alliance, UNIFIL maritime assets, and other regional and national initiatives.

TURKISH NAVAL FORCES

Since October 2001

Turkey has provided maximum number of assets for NATO's Operation Active Endeavour.

TURKISH NAVAL FORCES

**mutual
coordination and cooperation**

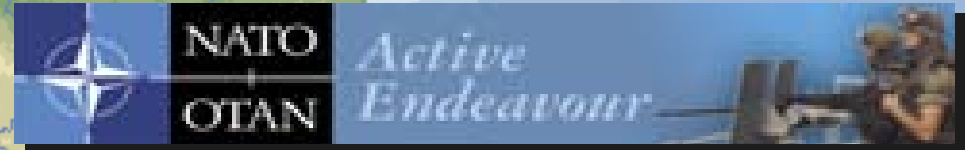

**Operation
Mediterranean Shield
OMS**

TURKISH NAVAL FORCES

Operation Mediterranean Shield OMS

OILER

CORVETTE

UNIFIL Maritime Ops

TURKISH NAVAL FORCES

Success of the Black Sea Littorals

**Security and stability
have already achieved
in the Black Sea**

TURKISH NAVAL FORCES

The BLACK SEA Maritime Security Two Pillars Approach

**Full cooperation and coordination
among all Black Sea littorals should be attained.**

TURKISH NAVAL FORCES

The **BLACK SEA** Maritime Security Two Pillars Approach

**Maritime security of the region should be
complementary to the Euro-Atlantic security system.**

TURKISH NAVAL FORCES

Operation Black Sea Harmony

UNSCR 1373, 1540 and 1566

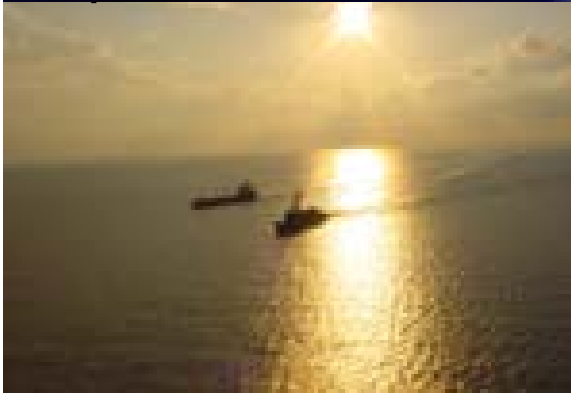

01 March 2004

TURKISH NAVAL FORCES

Operation Black Sea Harmony

There is no single incident since 2004

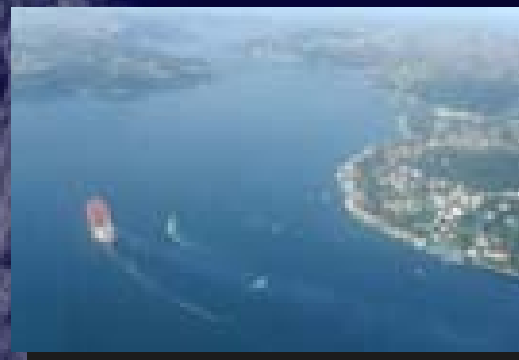

TURKISH NAVAL FORCES

Operation Black Sea Harmony

Aim

To establish Presence Operations in contributing to the overall efforts for...

Deterring,

Disrupting

and **Preventing**

the risks and potential threats of terrorism, illicit trafficking in WMD and other illegal activities at sea in line with UNSC resolutions.

TURKISH NAVAL FORCES

Operation Black Sea Harmony

TURKISH NAVAL FORCES

Conclusion

Stability

**Security
Provider**

Security

Turkey supports NATO and EU initiatives and
developes bilateral and multilateral cooperation
in the region.

TURKISH NAVAL FORCES

Conclusion

**Maritime security is
indivisible**

**No state is immune from the spillover effects of
a maritime incident, be it related with
safety, security, environment, energy, trade, tourism or domestic
stability, either in regional or global scales.**

TURKISH NAVAL FORCES

Burden sharing

Littoral Countries' efforts is the key element
For the maritime security
