**THEME, FORMAT AND ORGANIZATIONAL MODALITIES FOR
THE FIFTEENTH ECONOMIC AND ENVIRONMENTAL FORUM**

22 and 23 January 2007 and 21 to 23 May 2007

The Permanent Council,

Pursuant to paragraphs 21 to 32 of Chapter VII of the Helsinki Document 1992, paragraph 20 of Chapter IX of the Budapest Document 1994, the OSCE Strategy Document for the Economic and Environmental Dimension of 2 December 2003, Ministerial Council Decision No. 10/04 of 7 December 2004, Ministerial Council Decision No. 4/06 of 26 July 2006 on the OSCE Senior Council and the Permanent Council decision on renaming the OSCE Economic Forum,

Recalling, among others, previously agreed commitments to make the Economic and Environmental Forum (EEF) (formerly the Economic Forum) more dynamic through a change in format and to increase its effectiveness by an improved preparatory process and an effective procedure for ensuring follow-up of its deliberations, while remaining within the existing budgetary practice,

Taking into account the closing statement by the Chairperson of the Fourteenth Meeting of the Economic Forum,

Decides that,

1. The theme of the Fifteenth Economic and Environmental Forum will be “Key challenges to ensure environmental security and sustainable development in the OSCE area: Land degradation, soil contamination and water management”.

* Revision of Permanent Council Decision No. 735 of 6 July 2006 on the theme, format and organizational modalities for the Fifteenth Economic Forum to reflect the change of name of the Economic Forum.

2. The Fifteenth EEF will be held over a period of five days, broken down as follows and without setting a precedent for future EEF:

2.1 On 22 and 23 January 2007 in Vienna;

Moreover, taking into account its tasks, the EEF will review the implementation of commitments in the economic and environmental dimension. The review, to be integrated in the Prague segment of the EEF, will address these OSCE commitments and, in particular, environmental commitments with a focus on international conventions, national legislation and international co-operation experiences.

3. Discussions of the Forum should benefit from input provided by other OSCE bodies and relevant meetings, including two conferences outside of Vienna, and deliberations in various international organizations.

Participation of representatives from the business and scientific communities as well as other relevant actors of civil society in their delegations would be welcome.
