Among the three languages below, please mark those in which you can work in the meeting. You are encouraged to mark more than one language, so that working groups in the three languages could be set up.

Spanish

English

Russian

What are your five preferred working groups? You can choose them freely among one, two or the three dimensions (Please mark them in order of priority from 1 to 5):

I Dimension:

International cooperation in the fight against terrorism and victim's support/assistance: Youth perspective.

Protracted conflicts: (Nagorno-Karabakh, Transnistria and Southern Ossetia): Does youth have any role in the search of its solution?

Confidence and security-building measures among States: assessment and possible new initiatives of the youth.

Youth role in conflict prevention.

The work of the OSCE Field Missions: Youth perception

II Dimension:

Use and distribution of basic natural resources: specific examples.

Environment and security: new forms of cooperation.

Joint action of OSCE participating states in case of catastrophes and emergencies.

Youth contribution to an OSCE environmental strategy.

III Dimension:

Promotion of mutual knowledge and understanding between cultures and religions.

Youth role in the defence of Human Rights and fundamental freedoms.

How can youth contribute in the promotion of the democracy?

Education as a tool of tolerance among different cultures.

Gypsy communities and youth: towards a solidarity commitment.

Will you need financial assistance to participate in the Youth Forum?

(If yes please contact the organizers at osce.youthforum@maec.es)

Only complete applications will be considered for review.

All applications for the OSCE Youth Forum must be received by the Chairmanship (e-mail: osce.youthforum@maec.es) by **October 1, 2007**.
