**INFORMATION SHEET
REQUEST FOR SHORT-TERM OBSERVERS**

**EARLY PARLIAMENTARY ELECTIONS
REPUBLIC OF ARMENIA
20 June 2021**

Following an official invitation from the Armenian authorities and in accordance with its mandate, ODIHR has established an Election Observation Mission (EOM) to observe the 20 June early parliamentary elections in Armenia. Eoghan Murphy has been appointed Head of the ODIHR EOM. The mission consists of 11 core team members based in Yerevan and 26 long-term observers (LTOs) deployed throughout the country. The core team and LTOs come from a total of 21 OSCE participating States.

ODIHR requests participating States to second 250 (two hundred and fifty) short-term observers (STOs) to observe voting, counting, and the tabulation of results. STOs will be deployed in multinational teams of two, under a deployment plan prepared by the ODIHR EOM. In the interest of a broad and balanced representation among participating States, ODIHR requests that individual participating States nominate only up to 15 per cent of the total number of requested STOs.

To ensure a better gender balance in its activities, ODIHR strongly encourages the OSCE participating States to second equal numbers of women and men as short-term observers.

Seconding States should confirm visa requirements for their STOs. If required, visas must be obtained at the nearest embassy or consulate of Republic of Armenia prior to arrival.

To facilitate accreditation of observers through the Central Election Commission (CEC) and the issuance of visas (if required), the ODIHR online mission registration form must be completed **no later than 3 June 2021**.

STOs are required to arrive in Yerevan by Thursday, 17 June (at the latest) and depart (at the earliest) on Wednesday, 23 June. The STO schedule is provided below.

Given the possibility of a potential second round of elections, participating States may expect a second request for short-term observers with a very short deadline for registration.

Observers should strictly abide by the [Code of Conduct for ODIHR Observers](#) and the deployment plan prepared by the ODIHR EOM. Observers should also familiarize themselves with the [Guide on the OSCE Policy against Harassment, Sexual Harassment and Discrimination](#). The security and safety of observers is of the highest priority and will take precedence in EOM management, including the deployment plan. All observers will receive security and Code of Conduct briefings upon arrival and are required to operate in accordance with security guidelines.

The working language of the EOM is English. All briefings, de-briefings, and reporting will be in English and all interpreters will work in local languages/English. All STOs must therefore have a good working knowledge of both written and spoken English.

ODIHR strongly encourages all observers to undertake the ODIHR comprehensive e-learning course for observers, available at www.odihrobserver.org.

STOs are requested to familiarize themselves with the ODIHR Election Observation Handbook, available online at www.osce.org/odihr/elections/68439.

STOs are kindly asked to refrain from commenting on mission-related issues via social media. In line with the [Code of Conduct for ODIHR Observers](#), media communications regarding the electoral process and the substance of observations should be made only by the Head of Mission, ODIHR Spokesperson, or other responsible ODIHR officials.

A COPY OF THIS INFORMATION SHEET IS AVAILABLE ON THE ODIHR WEBSITE AND SHOULD BE MADE AVAILABLE TO ALL SECONDED STOs.

a) Briefing

Prior to departure from the home countries STOs will be provided with an online briefing, which will include:

- code of conduct and professional working environment;
- legislative framework;
- overview of the country, campaign and the media situation;

- voting, counting, and tabulation procedures;
- observation forms;
- security advisory, including COVID-19 precautions;
- logistical and financial arrangements.

STOs will also be provided with briefing materials which will include all necessary electoral and logistical information, as well as observation forms to complete during the observation of voting, counting, and tabulation.

b) Deployment

The ODIHR EOM will develop a deployment plan. STOs should strictly abide by the deployment plan and security instructions. STOs should not request special treatment with regard to deployment locations.

In respect of in-country travel organized by ODIHR, please note that STOs are required to complete the standard OSCE Liability Release Form and attach it to the on-line mission registration form by 3 June 2021.

c) Debriefing

Due to security considerations related to COVID-19, the ODIHR EOM will not organize an in-person debriefing for STOs. Instead, the EOM intends to develop an online tool which will provide an opportunity for STOs to express their main findings and share their conclusions with EOM members. The EOM will hold a press conference on the day after the election to present its preliminary findings and conclusions. A comprehensive final report will be issued by ODIHR approximately two months after the electoral process has been completed, taking into account findings of all observers.

2. Logistics and Security

a) Contact details

All logistical arrangements for the STOs will be organized by the EOM under the direction of:

Ruslan OVEZDURDYEV, Operations Expert
e-mail: ruslan.ovezdurdyev@odih.am ; mobile phone: +374 91 613 415

b) Transportation/Accommodation

All STOs will be met at Yerevan international airport by an ODIHR EOM representative upon their arrival and transported to their accommodation. Transport and accommodation in Yerevan and in the areas of observation will be arranged by the EOM.

IMPORTANT: Hotels in Yerevan may require guests arriving/departing in the early morning hours to pay the full overnight rate.

For safety reasons, particularly in the current health environment, and to prevent problems with transportation, observers are expected to use the accommodation arranged for them by the ODIHR EOM. The EOM will also make all arrangements for in-country travel to deployment areas and for on-site drivers, cars, and interpreters.

Should any of the observers choose not to stay in the accommodation arranged by the ODIHR EOM, the seconding States should indicate this while registering online. **If ODIHR is not notified in advance, STOs or the respective OSCE seconding State will be charged for the cost, regardless of whether the accommodation provided is used.** It should be noted that the EOM cannot provide airport transfers and in-city transportation for STOs who choose to stay outside the designated accommodation.

STOs will deploy from Yerevan to the regions by bus or car. STO deployment will be planned in accordance with national regulations and the EOM's COVID-19 safety guidelines.

The ODIHR EOM will make necessary arrangements for the STOs to return to Yerevan on Monday, 21 June, and will arrange accommodation in Yerevan. The EOM will arrange transfers to the airport for all STOs.

c) Security

STOs must adhere to the [Code of Conduct for ODIHR Observers](#), as outlined in the ODIHR Election Observation Handbook, and the [Guide on the OSCE Policy against Harassment, Sexual Harassment and Discrimination](#), as well as security instructions and national regulations related to the prevention of COVID-19.

A memo on security details for the STOs will be handed over to all observers upon arrival, including guidelines related to the EOM's Standard Operating Procedures to promote the safe conduct of mission activities during the COVID-19 pandemic. STOs who choose not to stay in accommodation provided by the ODIHR EOM will not be covered by the mission's security arrangements.

d) Luggage/Essential Items

Due to potential modest conditions in the regions, STOs are advised to bring with them the following items:

- appropriate attire for election day observation – business casual is recommended;
- personal protection equipment such as face masks, and hand sanitizer (the ODIHR EOM will provide additional PPE with the STO briefing pack);
- torch/flashlight with spare battery;
- all necessary medication (case-specific);
- clothing (including for sleeping);
- electricity converters (if needed) – European style plug.

The ODIHR EOM strongly recommends that STOs, when travelling by air, put essential items into their hand luggage, in case of late arrival of their luggage in Yerevan

e) Communication

Each STO will be provided with a mobile phone and a local SIM card with credit, for work-related usage. Please note that using mobile phones for international calls and SMSs should be avoided. Such usage is very expensive and will quickly deplete allocated phone credit.

f) Time zone/Flight bookings

The Republic of Armenia is a one time-zone country. Local time in Yerevan is GMT/UTC +4:00. Due to the limited number of scheduled flights to Yerevan, the ODIHR EOM strongly encourages seconding States to make early flight bookings. To ensure operational flexibility, (e.g. in case of bad weather conditions), seconding States are advised to book changeable airline tickets.

3. Interpreters and Drivers

All observers will be organized in multinational teams of two persons under a deployment plan prepared by the ODIHR EOM. The ODIHR EOM will assist each STO team with finding two drivers/cars and an interpreter. Even in cases where one team member speaks local languages, it will be necessary for that team to have an interpreter in order that both members of the team can have full access to complete and equal information as they carry out their observation duties.

4. Costs

It is projected that, while in country, **each STO** will incur the following costs, although some STOs may not require the full amount indicated below:

Operational/Transportation Cost	EUR
Airport transfers	40
In-City Transportation (to and from COVID-19 testing facilities)	10
In-Country Transportation (to and from deployment area)	60
Communication (SIM card/mobile phone/e-pen use)	70
Briefing costs (briefing, briefing pack, PPE, meals, shipment)	70
PCR test on departure	40
Estimated cost to be incurred by ODIHR on behalf of STOs	290 EUR
2 x Driver/Car (EUR 25 per day @ maximum 5 days per observer)*	250
2 x Fuel (EUR 20 per day @ maximum 5 days per observer)*	200
Interpreter (EUR 25 per day@ maximum 5 days per observer)*	125
Accommodation (7 nights @ max EUR 85/per night)	595
Meals & Incidentals (approx. EUR 40 per day @ max 8 days)	320
Accommodation and meals for interpreter if needed (EUR 50 per night @ 4 nights per observer)*	200
Accommodation and meals for 2 x Drivers if needed (EUR 50 per night @ 4 nights per observer)*	400
Costs paid directly by the observers	2,090EUR
Total cost per observer:	2,380EUR

* The two members of each STO team will share equally the cost of drivers and interpreters. The amount above therefore represents half of these costs (i.e. for each STO).

The total cost per observer is estimated at **EUR 2,380** (two thousand three hundred and eighty Euro), including **EUR 2,090** (two thousand and ninety Euro) which the seconding States should supply to each observer in cash prior to their departure to Yerevan. **The ODIHR EOM is not able to validate or certify documents related to costs paid directly by the observers (receipts, invoices, contracts, etc.).**

EUR 290 (two hundred and ninety Euro) is the projected cost per each STO to be incurred by ODIHR. After closure of the EOM, each seconding State will be billed by ODIHR on the basis of total actual expenses incurred and the number of seconded STOs. Payment instructions will be provided to the seconding States with the final invoice.

All of the above costs should be paid in local currency or Euro. The Euro is widely exchangeable locally, although other currencies can also be exchanged. While there are cash machines (ATMs) in Yerevan, some of them dispense Euro and may be available in some areas of deployment. Hotels in the Republic of Armenia do not accept foreign currency, and are able to exchange the currency at their rate that is slightly lower than the market rate. On rare occasions, STOs should be prepared to pay hotel bills outside Yerevan in cash and upon check-in. Travellers cheques must not be used. The local currency is the Armenian Dram (AMD). The exchange rate is approximately 1 EUR ≈ 635.70 AMD.

5. Visas and Insurance

a) Visa

Seconding States should confirm visa requirements for their STOs. If required, visas must be obtained at the nearest embassy or consulate of the Republic of Armenia prior to arrival. However, most OSCE participating states do not require visas prior to entry into the Republic of Armenia.

b) Insurance

STOs should ensure that they arrive with adequate health (including COVID-19), accidental/life disability, emergency/medical evacuation, property, theft, and accident insurance, as this will not be provided by ODIHR. **STOs must have a copy of their insurance policy with them, as well as two copies of the data page of their passport and the visa (if applicable).**

c) COVID related entry requirements

All STOs arriving in Armenia must have a valid negative PCR test and will be requested to provide it to the Armenian authorities upon arrival at Yerevan International Airport. Travelers can enter the country with a negative PCR test (in the English, German or Armenian languages), provided the test sample (swab) was taken no more than 72 hour prior to arrival in Armenia.

In country:

It is obligatory to wear a face mask at all times, when outdoors and indoors, except when eating or smoking; Social distancing of 1.5 meters must be observed. It is obligatory to wear a face mask when using public transportation, including taxis.

<p>IN ORDER TO MAKE ALL LOGISTICAL ARRANGEMENTS ON TIME, NO APPLICATIONS WILL BE CONSIDERED BY ODIHR UNDER ANY CIRCUMSTANCES AFTER 3 JUNE 2021.</p>
--
