

The services offered by The National Agency for the Promotion of Labour and Competencies ' ANAPEC '

« Investing abroad »

#### What is Anapec?

The official and public Intermediary of the labour market
Main actor in organising and implementing programs for the promotion of qualified professions
Responsible for handling the job vacancies from abroad and for prospecting all foreign job opportunities for national citizens wishing to emigrate

#### **The MEDA II Project**

#### "Institutional support to People Movement/Mobility" 2006-2009

#### **The MEDA II Project**

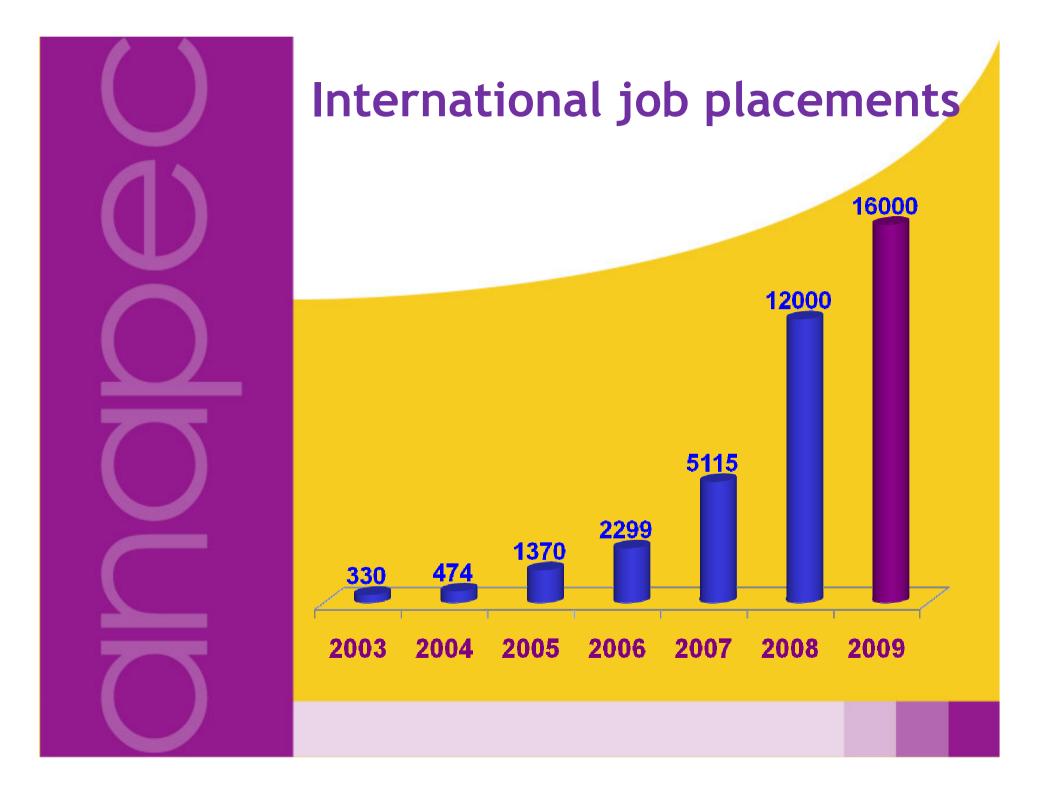

## The reinforcement and specialization of the ANAPEC

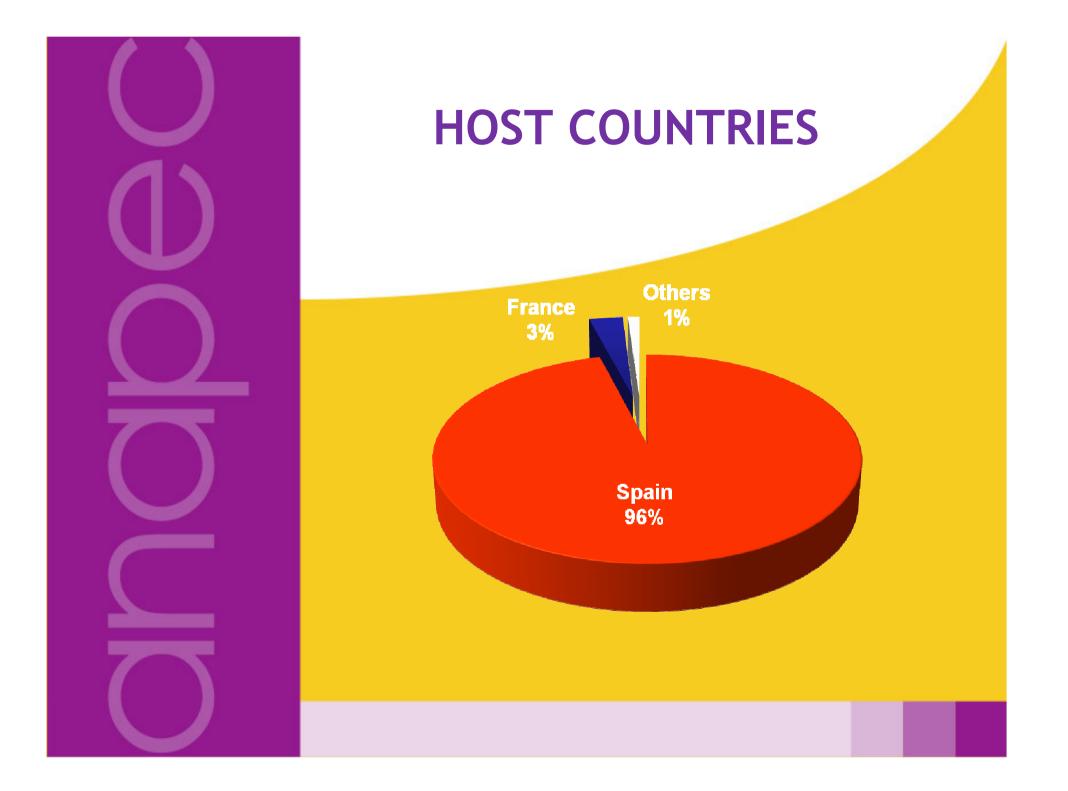

- The establishment of an International Placement Division .
- The creation of 4 regional international agencies and the opening of "international areas" in 10 other agencies.
- The performance of a study to determine the viability conditions for the voluntary return of Expatriate Moroccans and the creation of a returnee support department.

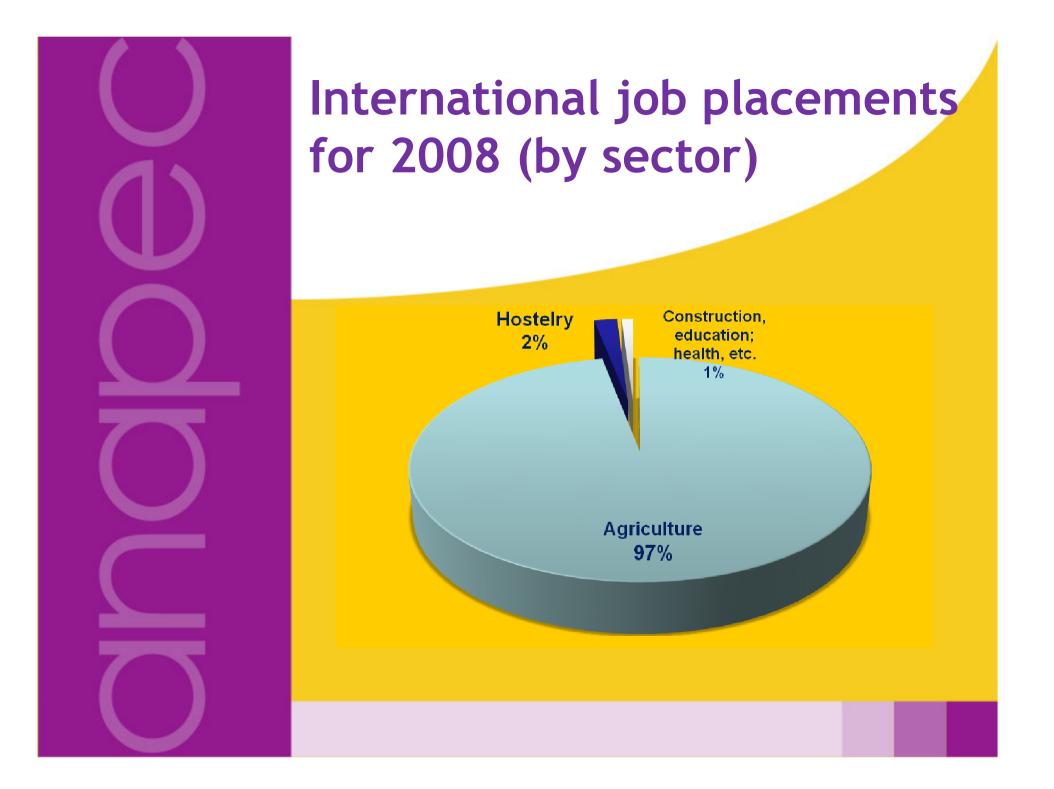

#### **The MEDA II Project**

#### **Training for migration applicants**

- The implementation of a program aimed at building awareness of legal migration opportunities among the population.
- The creation and deployment of a basic training program aimed at applicants hoping to participate in the Legal Circulation of People for Employment Purposes, adapted to working in the European Union.
- The implementation of technical training models adapted to the requirements of European companies.

## **Targeting potential migrants**

- Focus on municipalities and the poorest areas
- Chose from the most vulnerable economic sectors of society
- Priority given to women: widows, divorced and women with dependent children

#### Benefits for seasonal workers

#### More enpowerement for women

- Reducing poorness
- Reducing vulnerability
- Preserving the right to employment and social advancement
  - Trainings
  - Social rights
- Better Integration in the society

#### Follow up

Minister of Labour visiting seasonal workers in Cartaya, Spain
