

HATE MONITOR

SEPTEMBER 2019

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

Highlighted

Representatives of 31 Coalitions against Hate gained knowledge on how to use social networks to promote social cohesion activities, raise awareness or publically condemn hate/bias incidents and prejudices. Participants were introduced to major social media networks and gained valuable knowledge in creating and communicating messages online in structured and professional manner.

The Hate Monitor provides an update on all potential hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report.
