

# Challenges and opportunities

Low coordination between Government and donor organizations (The National Strategy, the Program of CoE, the Program of WB, the Program of MCA):

Separate

- objectives,
- outcome indicators,
- budgets,
- monitoring groups

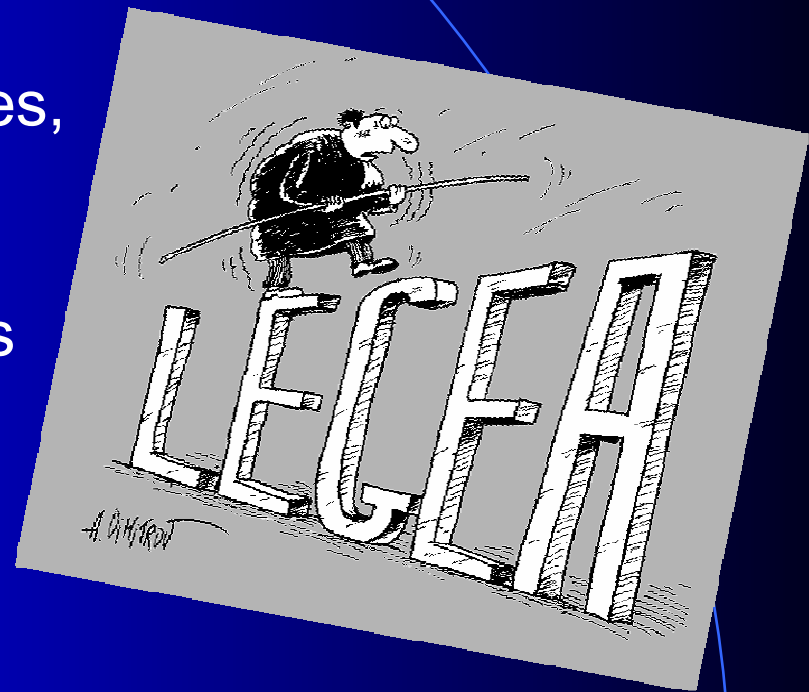

# Challenges and opportunities

---

New legal framework to be adopted:

- Law on Preventing and Fighting Corruption,
- Law on Conflict of Interests,
- Law on Code of Conduct,
- Law on Funding Political Parties,
- Law on Public Procurements,
- Law on Money Laundering)
- Law on Declaration of Incomes and Assets

# Challenges and opportunities

Working Group for Monitoring the Implementation of the National Anti-corruption Strategy  
- mainly state institutions;

- Nominated person in charge for anti-corruption measures in every state institution – lack of experience; not informed on the legal anti-corruption framework; combine AC responsibilities with former duties; dependent;

# Challenges and opportunities

- ✚ Symbolic punishment for corruption – bring the case to the logical end;

Low support from civil society:  
Fighting corruption, or political rivals?
