

United States Mission to the OSCE

Right of Reply to Azerbaijan on the Detention Facility at Guantanamo Bay

As delivered by Chargé d’Affaires, a.i. Harry R. Kamian
to the Permanent Council, Vienna
January 18, 2018

Thank you, Mr. Chair.

I listened carefully to the statements delivered by my esteemed colleagues from Azerbaijan as well as from the Russian Federation. I also wish to note the January 11 press release from ODIHR that was cited in both of their statements. I wish to inform the chair as well as our two colleagues that I will communicate these views to Washington and would reserve the right of reply to this issue at a later date.

Thank you very much.
