After completion of the auditing procedure with the audited party, the Institution shall make a draft report on the conducted audit, and submit it to the audited subject and the

responsible persons who were responsible for the covered operation in the period for which the audit was conducted (hereinafter: the responsible persons). The Institution shall in the audit report express its opinion on the business operation of the audited party.

The audited subject and the responsible persons have the right to submit a reasoned complaint on the draft report of the conducted audit within a period of 15 days from the date of receiving the draft report.

The Institution shall consider the justification of the remarks from the complaint and, within 15 days from the receipt of the complaint, call the responsible persons of the audited subject to hearing on the draft audit report, wherein the responsible persons shall be able to also submit new evidence.

The hearing referred to in paragraph 3 of this Article is not essential if the audited subject notifies the Institution in writing within 15 days from the delivery of the draft audit report that it does not dispute any of the findings contained in the draft.

There may be more than one hearing on the draft audit report. The first one shall be held at least after eight days, and the last one at most 30 days from the date of the delivery of the draft audit report.

The meeting to review the draft audit report is conducted by the authorized person of the Institution and is held, as a rule, at the seat of the audited subject.

If the representative of the audited subject does not take part in the hearing, it shall be deemed that s/he does not dispute any of the findings from the draft audit report, unless the representative proves, within a period of three days from the date scheduled for the hearing, that s/he did not take part in the debate for justified reasons.

During the hearing the representative of the audited subject may:

- 1) challenge particular findings in the draft audit report;
- 2) give explanations and additional evidence contesting the audit findings.

If the Institution is satisfied that the contestation of an audit finding is founded, then such a finding shall be excluded from the audit report, providing that additional auditing checks may be conducted before that.

Explanations from point 2, paragraph 8, of this Article may be included in the audit report.

After the hearing the authorized person of the Institution shall submit to the Council or to the responsible supreme state auditor the draft audit report with any remarks of the audited subject. A member of the Council or the responsible supreme state auditor shall

examine the audit report and establish if the remarks are founded and if the conclusions are based on documented evidence, and if the procedure has been conducted in accordance with the auditing standards. After the evaluation of the remarks and the conclusions, the member of the Council or the responsible supreme state auditor shall define the draft audit report which shall be delivered to the audited subject and the responsible persons within a period of 30 days as from the conclusion of the hearing.

If the hearing on the draft audit report is not necessary (paragraph 4 of this Article), the member of the Council or the responsible supreme state auditor shall draw up the proposed audit report within a period of 15 days from the day of receipt of the notification from the audited subject that it does not dispute any of the findings from the draft audit report.

The audited subject, or the responsible person of the audited subject from the period covered by the conducted audit, may file a complaint on the findings of the audit contained in the proposed audit report. A complaint is filed with the Institution within a period of 15 days which starts running from the next day upon the delivery of the proposed audit report to the audited subject or to the responsible person from the period covered by the report on the conducted audit.

The president of the Institution may decide that an opinion of an external expert of the Institution should be obtained on certain part/s of the draft or on the entire proposed audit report.

If a finding of the audit from the proposed audit report has been successfully challenged (objection from paragraph 13 of this Article), or if doubt in its correctness has been expressed in the opinion of the external expert from the previous paragraph, that finding shall be considered disputable.

The Council shall decide about the disputable finding in the proposed audit report by conclusion within a period of 30 days as from the receipt of the complaint from paragraph 13 of this Article. The Council may decide:

- that the disputable finding be omitted from the audit report;
- that the disputable finding remains unchanged as an integral part of the audit report;
- that the disputable finding be included in the audit report in an amended form as determined by the Council.

The audit report is delivered to:

1. the audited subject;
2. the responsible person of the audited subject from the time covered by the conducted audit;

3. the Assembly;
4. other bodies that in the opinion of the Council should be advised about the audit findings.

If the audited subject or the responsible person of the audited subject from the time covered by the conducted audit has filed a complaint against the audit finding contained in the proposed audit report, the reply to the complaint shall be delivered together with the audit report. The reply to the complaint is defined by the Council.

There is no legal remedy against the reply from paragraph 18 of this Article.

The draft and the proposal of the audit report are confidential.

Procedure Following the Completion of Audit Article 40

An audited subject in whose business operation irregularities or inappropriateness have been detected but not eliminated during the conduction of the audit shall be required, except in case from paragraph 3 of this Article, to submit to the Institution a report on the elimination of the detected irregularities or inappropriateness (hereinafter: the response report). The audited subject must submit this report within the period designated by the Institution, ranging from 30 to 90 days, starting from the following day upon the date of the delivery of the audit report.

A response report is submitted in writing, signed and certified by the seal of the responsible person of the audited subject. When necessary, this document shall be subject to the verification of its credibility by the Institution. The response report is a public document.

No response report shall be required if it is stated in the audit report that the necessary measures and activities had already been taken for the purpose of the elimination of the irregularities and inappropriateness.

The Institution may verify the credibility of the response report by comparing it with the audit results.

If the Institution finds that the response report does not show that the detected irregularities or inappropriateness have been eliminated in a satisfactory way, it is considered that the beneficiary of public funds violates the obligation of due diligence. If unsatisfactory elimination of a significant irregularity or significant inappropriateness is in question, it is considered that there is a serious form of the violation of the obligation of due diligence.

A violation or a serious violation of the duty of due diligence by an audited subject is evaluated in accordance with the guidelines issued by the Council.

If there is a violation of the duty of due diligence, the Institution may make a request taking measures. Such a request is sent to the body which is considered able to take measures within its competence against the beneficiary of public funds violating the duty of due diligence.

The body to which the request for taking measures from the previous paragraph of this Article has been sent shall, within a period of 30 days upon the receipt of the request, notify the Institution on the measures taken or send an explanation why the same have not been taken.

If there is a serious violation of the duty of due diligence the Institution shall so notify the Assembly.

The working body of the Assembly responsible for the supervision of the budget and other public funds shall, within its competence, after the conducted hearing referred to by the beneficiary of public funds, bring a conclusion with recommendation and measures to be taken due to the serious violation of the duty of due diligence.

In case of violation of the duty of due diligence or in case of a breach from paragraph 9 and 10 of Article 38 of this Law, the Institution shall also:

- 1) send a request for the dismissal of the responsible person;
- 2) inform the public.

In the request from point 1, paragraph 11 of this Article, the Institution shall state the name of the person/s to be dismissed. The request for their dismissal is sent to the body deemed to be able to enforce or initiate the dismissal procedure.

The body to which the request for the dismissal of the responsible person/s has been sent, must decide and notify the Institution about its decision within a period of 15 days as from the delivery of the request.

Initiation of Misdemeanour or Criminal Proceedings and Notification of the Attorney-General Article 41

The Institution is required to submit without delay a request for instituting misdemeanour proceedings or criminal charges to the competent body if during the audit it uncovers materially significant actions indicating the existence of the elements of a misdemeanour or a criminal offence.

The Institution is required to notify the Attorney-General of cases where damages were done to public property by an action of the subject of audit or a legal entity doing business with the subject of audit.

The bodies referred to on paragraphs 1 and 2 of this Article are required to notify the Institution of their decisions.

Confidentiality of Data **Article 42**

The members of the Council, the employees of the Institution and the engaged external experts have the duty of confidentiality regarding all the data and the documents gathered as evidence during the audit that are designated as confidential or secret, in accordance with law. Such data are considered an official secret and may be used only for the purpose of drafting reports.

Exceptionally, the data or documents from paragraph 1 of this Article may be disclosed to the public based on order of the competent court, in accordance with law.

The Institution shall keep the data and documents designated as confidential or secret in a safe place, in accordance with the Rules of Procedure.

The Institution shall omit the facts or findings representing a business secret in the report on the conducted audit which is open to the public.

V REPORTING

Reporting to the Assembly **Article 43**

The Institution reports to the Assembly by submitting:

- 1) an annual report on its work;
- 2) particular reports during the year;
- 3) an audit report on the audit of the annual statement of the budget of the Republic, the annual financial statements of the financial plans of the mandatory social insurance organizations and the consolidated financial statements of the Republic.

The contents of the reports from paragraph 1 of this Article shall be regulated more specifically by the Rules of Procedure.

Article 44

The Institution shall report to the assemblies of the local authorities on audits related to their subjects of audit within their competence.

The reports from the paragraph 1 of this Article are at the same time submitted to the Assembly.

Annual Report on the Work of the Institution

Article 45

The Institution is obliged to submit to the Assembly an annual report on the work of the Institution by 31st March of the current year for the previous year.

Particular Reports

Article 46

Throughout the year the Institution may submit to the Assembly particular reports on specially important or urgent matters which, according to the assessment of the Council, should not be postponed till the submission of the next regular report.

At the request of the Assembly the Institution is obliged to submit reports with the requested information and data in accordance with the law.

Report on Conducted Audit of the Annual Statement of the Budget of the Republic, the Annual Financial Statements of the Mandatory Social Insurance Organizations and the Consolidated Financial Statements of the Republic of Serbia

Article 47

In the procedure of the adoption of the annual statement of the Republic, the Institution shall report to the Assembly on the conducted audit of the annual statement of the budget of the Republic, the annual financial statements of the mandatory social insurance organizations and consolidated financial statements of the Republic in accordance with the Law regulating the budget system.

Review of Reports

Article 48

After the review of the report of the Institution, the competent working body of the Assembly shall submit to the Assembly its standpoints and recommendations in the form of a report.

On the basis of the determining facts and circumstances underlined in the reports from paragraph 1 of this Article, the Assembly shall decide on the proposed recommendations, measures and deadlines for their implementation.

The Assembly may request from the Institution additional clarification of certain facts and circumstances.

Publicity of Work Article 49

The work of the Institution is public in accordance with the Law and the Rules of Procedure.

The Institution shall submit a report on its work to the Assembly for its consideration at least once a year.

Ensuring Quality of Work of the Institution Article 50

The Institution is required to ensure a system of quality control of its work in accordance with the applicable international auditing quality control standards.

VI REQUIREMENTS FOR OPERATION OF THE INSTITUTION

Operating funds Article 51

Funds for work of the Institution are provided in the budget of the Republic of Serbia within a separate budgetary appropriation.

The Council defines a proposal of the financial plan of the Institution and submits it to the relevant working body of the Assembly for approval.

Upon the approval by the relevant working body of the Assembly, the Institution submits the proposal of the financial plan to the Ministry responsible for the budgetary affairs.

The Government provides premises, equipment and other means required for the work of the Institution.

The commencement of the work of the Institution may be financed from the funds donated by a domestic legal entity which is not a subject of audit in accordance with this

Law, as well as from international donations intended exclusively for the development of independent auditing of the public sector.

Annual Statement of the Institution
Article 52

The Assembly may, by a separate enactment, entrust the audit of the annual statement of the Institution to an auditing company in accordance with the law regulating accounting and auditing.
