**INTERPRETATIVE STATEMENT
UNDER PARAGRAPH IV.1(A)6 OF THE
OSCE RULES OF PROCEDURE/Corrected reissue***

By the delegation of the United States of America:

“Mr. Chairperson,

The United States would like to make the following interpretative statement:

The United States notes the continued discussion of the eventual closure of the Croatia field mission, and does not believe the extension of the current mandate in any way prejudices the outcome of those discussions. The United States continues to work productively with the Government of Croatia, the OSCE Mission to Croatia, and other participating States to determine the best time for closure of the field mission.

Thank you.”
