

HATE MONITOR

MAY 2023

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

In May, the Mission conducted a two-day training on social cohesion and social research processes, focusing on enhancing capacity of 11 members of the Zenica City Youth Commission and CaH. The training received positive feedback from CSOs, generating interest in future opportunities and enabling practical knowledge acquisition in various research phases, from objective setting to data analysis and interpretation.

The Hate Monitor provides an update on all potential hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report.
