5 STATE OF ULTIMATE DESTINATION / END USER:

* Name of State:

6 END USER DETAILS (if different from importer/consignee):

* Name:	<input type="text"/>	Phone:	<input type="text"/>
* Position:	<input type="text"/>	Fax:	<input type="text"/>
Address:	<input type="text"/>	Email:	<input type="text"/>
		Website URL:	<input type="text"/>
* Original Signature:	<input type="text"/>	Contact Person:	<input type="text"/>

7 CONTRACT OR INVOICE DETAILS:

* Reference:	<input type="text"/>	* Date:	<input type="text"/>
--------------	----------------------	---------	----------------------

8 DESCRIPTION OF SALW OR TECHNOLOGY RELATED TO THE DESIGN, PRODUCTION, TESTING AND UPGRADING OF SALW TO BE TRANSFERRED:

* Type and Characteristics (e.g. military list category number, customs code, classification, model, national stock number)	<input type="text"/>	* Quantity:	<input type="text"/>
		Unit of Measure:	<input type="text"/>
		* Financial Value:	<input type="text"/>

9 DESCRIPTION OF END-USE:

* Description of end use:	<input type="text"/>	Location of End-Use:	<input type="text"/>
---------------------------	----------------------	----------------------	----------------------

10 END USER ASSURANCE:

Mandatory:

YES

i An assurance that the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8 will be used only by the end-user and for the stated end-use.

I/we/the end-user named in item 6 certify that the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8 will be used only for the end-use described in item 9.

Optional:

YES

i An assurance that the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8 will be used only in the location specified in item 9.

I/we/the end-user named in item 6 certify that the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8 will only be used only at the location specified in item 9.

Optional:

YES

i Specific additional assurances that the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8 will not be used to violate international law.

I/we/the end-user named in item 6 certify that the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8 will not be used for human rights violations, e.g. torture, slavery, cruel and inhuman punishment.

Optional:

YES

i Specific additional assurances linked to transfers of certain types of SALW (e.g. MANPADS) and related parts, components and technologies.

I/we/the end-user named in item 6 guarantee the safety according to the agreements on storage and transport for the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8, which include a commitment to protect unauthorised transshipment, losses, thefts and diversions during the time these items are in end-user country.

11 IMPORTER/CONSIGNEE ASSURANCES AND OTHER PARTY ASSURANCES:

Mandatory:

YES

i Assurance that the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8 will only be delivered to the end-user named in item 6.

I/we, the importer/consignee named in item 3, certify that we are importing the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8 to be delivered to the end-user named in item 6.

Optional:

YES

i Assurance by other parties that the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8 will only be delivered to the end-user named in item 6.

I/we, the party named in item 4, certify that the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8 is to be delivered to the end-user named in item 6.

12 RE-EXPORT ASSURANCES(S):

Please tick/select one of the following options.

Mandatory:

YES

i Assurance that the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8 will not be re-exported.

I/we/the end-user named in item 6 certify that the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8 will not be exported, sold, leased or transferred temporarily or permanently with or without compensation to third countries or another legal entity or person in name of end-user state other than the stated end-user.

or

YES

i Assurance that the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8 will not be re-exported without the written authorization of the original exporting state.

I/we/the end-user named in item 6 certify that the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8 will not be exported, sold, leased or transferred temporarily or permanently with or without compensation to third countries or another legal entity or person in name of end-user state other than the stated end-user named in item 6 without the written approval of the authorised state agency of name of original exporting state.

or

YES

i Assurance that the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8 will not be re-exported without the written authorization of the end-user state.

I/we/the end-user named in item 6 certify that the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8 will not be exported, sold, leased or transferred temporarily or permanently with or without compensation to third countries or another legal entity or person in name of end-user state other than the stated end-user named in item 6 without the written approval of the authorised state agency of name of end-user state.

or

YES

i Assurance that the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8 will not be re-exported without the written authorization of the exporting state, except to a list of states named in the EUC.

I/we/the end-user named in item 6 certify that the SALW or technology related to the design, production, testing and upgrading of SALW described in item 8 will not be exported, sold, leased or transferred temporarily or permanently with or without compensation to third countries or another legal entity or person in name of end-user state other than the stated end-user named in item 6 without the written approval of the authorised state agency of name of exporting state except to the following destinations name(s) of importing states that are subject to exemptions.

For Small Arms and Light Weapons produced under licenced production agreement.

Please tick/select one of the following options.

Optional:

YES

i An assurance that the SALW, parts or components produced under a licensed production agreement described in item 8 will not be re-exported.

I/we/the end-user named in item 6 certify that the SALW, parts or components produced under a licensed production agreement described in item 8 will not be exported, sold, leased or transferred temporarily or permanently with or without compensation to third countries or another legal entity or person in name of end-user state other than the stated end-user.

or

YES

i Assurance that the SALW, parts or components produced under a licensed production agreement described in item 8 will not be re-exported without the written authorization of the original exporting state.

I/we/the end-user named in item 6 certify that the SALW, parts or components produced under a licensed production agreement described in item 8 will not be exported, sold, leased or transferred temporarily or permanently with or without compensation to third countries or another legal entity or person in name of end-user state other than the stated end-user named in item 6 without the written approval of the authorised state agency of name of original exporting state.

or

i Assurance that the SALW, parts or components produced under a licensed production agreement described in item 8 will not be re-exported without the written authorization of the end-user state.

YES

I/we/the end-user named in item 6 certify that the SALW, parts or components produced under a licensed production agreement described in item 8 will not be exported, sold, leased or transferred temporarily or permanently with or without compensation to third countries or another legal entity or person in name of end-user state other than the stated end-user named in item 6 without the written approval of the authorised state agency of name of end-user state.

or

i Assurance that the SALW, parts or components produced under a licensed production agreement described in item 8 will not be re-exported without the authorization of the exporting state, except to a list of states named in the EUC.

YES

I/we/the end-user named in item 6 certify that the SALW, parts or components produced under a licensed production agreement described in item 8 will not be exported, sold, leased or transferred temporarily or permanently with or without compensation to third countries or another legal entity or person in name of end-user state other than the stated end-user named in item 6 without the written approval of the authorised state agency of name of exporting state except to the following destinations name(s) of importing states that are subject to exemptions.

13 CO-OPERATION ON POST-SHIPMENT CONTROLS:

Optional:

i A commitment from the consignee or end-user to allow the relevant authorities of the exporting state to carry out post-shipment inspections to ensure that the elements included in items 10, 11 and 12 are being fulfilled.

YES

I/We certify that the competent authorities of name of exporting state have the right to verify the end-use and end-use location of any supplied item at any time on their demand.

i A commitment from the consignee or end-user to provide a Delivery Verification Certificate (DVC) or equivalent other proof of delivery to the licensing authority of the exporter.

YES

I/we/ shall, upon request by the competent authorities of the exporter state, confirm receipt of the SALW or technology related to the design, production, testing and upgrading of SALW listed in item 8.

14 DECLARATION BY THE RELEVANT GOVERNMENT AUTHORITY THAT THE EUC IS VALID ACCORDING TO NATIONAL PRACTICES AND VERIFYING THE AUTHENTICITY OF THE END-USER:

Mandatory:

i Date, name, title and original signature of competent official within the competent government authority.
