Transparency International

- ✓ Leading anti-corruption movement all over the globe
- ✓ More than 100 national chapters over the world with headquarter in Berlin, Germany

Transparency International

Transparency International is based on the principle that as corruption is a country specific phenomenon, local organizations can be much more efficient than any efforts taken or imposed from the outside.

Transparency International Azerbaijan

Established in October 2000 by representatives of civil society and academia and fully accredited as a national chapter in October 2001 and re-accredited in September 2006 and September 2009.

Our Purpose

To take action to combat corruption and prevent criminal activities arising from corruption

Strategic Partner

Referral to TI as the main partner in the National Strategy of Azerbaijan Republic for Increasing Transparency and Combating Corruption for 2007-2011.

Corruption Ruins Lives

In order to pursue our goals, we define
