**OSCE Permanent Council Nr 909
Vienna, 26 April 2012**

EU statement on the Serbian Presidential and Parliamentary elections in Kosovo

The European Union commends the continuing efforts of the Irish Chairmanship and the OSCE to secure the OSCE's involvement in the holding of Serbian Parliamentary and Presidential elections in Kosovo.

In an already challenging security environment, all sides must avoid actions that could exacerbate the situation.

We call on both sides to act constructively and to pursue efforts to reach an agreement.
