At the Media Information Desk, journalists can receive information and register for access to events during the Ministerial Council for which pool arrangements will apply due to space, security and protocol restrictions.

Journalists are requested to register for a pool ahead of time and in-person at the Media Information Desk.

Photographers and camera operators are requested to register/apply for a seat in a photo pool event connected to the conference at the Media Information Desk.

As space is limited, registration will be provided on a first-come-first-served basis.

Due to limited space in some pools, all media participating in a pool must adhere to the principle of sharing any footage or photography with any other media present at the Media Centre should they be requested to do so and will only be admitted to a pool based on agreement to this.

A separate “pool card” will be required for participation in a Media pool and should be picked up at least 20 minutes before the scheduled departure time from Media Centre. Journalists must wear the pool card visibly during the pooled photo opportunity. Please note that without the pool card participation will not be possible.

Journalists participating in pools are requested to gather at the appointed meeting point no later than 20 minutes before the pool starts, from where the group will be escorted to and from the photo opportunity. Journalists arriving late at the meeting point will forfeit their access to the pool.

The complete pool programme will be available at the Media Information Desk.

PLEASE FOLLOW THE EVENT PAGE FOR THE LATEST AGENDA UPDATES
Media coverage of bilateral meetings is only possible upon request of a delegation.

If media coverage of a bilateral meeting is desired, delegations are requested to inform their liaison officer in order to coordinate with the Media Team. The Media Team will arrange an escort of the photographers/cameramen group from the Media Center to the bilateral meeting room and back. It is necessary to inform the Media Team as soon as the bilateral meeting is arranged (no later than November 27th), in order for the media to be guided to the meeting in due time.

If you have been invited to be part of a pool to cover a bilateral meeting during the Ministerial Council, please ensure that you arrive at the Media Information Desk no later than 20 minutes prior to the beginning of the bilateral meeting to be escorted to the location.
