**INFORMATION SHEET
REQUEST FOR SHORT-TERM OBSERVERS**

**PARLIAMENTARY ELECTIONS
GEORGIA
26 October 2024**

Following an official invitation from the authorities of Georgia to observe the 26 October parliamentary elections, and in accordance with its mandate, ODIHR has deployed an Election Observation Mission (EOM). The mission consists of 12 core team members based in Tbilisi and 30 long-term observers (LTOs) deployed throughout the country. The core team and LTOs come from a wide variety of OSCE participating States as per ODIHR's standard methodology.

ODIHR requests participating States to second 350 (three hundred and fifty) short-term observers (STOs) to observe voting, counting, and the tabulation of results. STOs will be deployed in multinational teams of two, under a deployment plan prepared by the ODIHR EOM. In the interest of a broad and balanced representation among participating States, ODIHR requests that individual participating States nominate no more than 15 per cent of the total number of requested STOs.

To ensure a better gender balance in its activities, ODIHR strongly encourages the OSCE participating States to second equal numbers of women and men as short-term observers.

Seconding States should confirm visa requirements for their STOs. If required, visas should be obtained at the nearest embassy or consulate of Georgia prior to arrival.

To facilitate accreditation of observers through the Central Election Commission (CEC), the ODIHR online mission registration form must be completed **no later than 8 October 2024**.

STOs are required to arrive (at the latest) in Tbilisi by Tuesday, 22 October, and depart (at the earliest) on Tuesday, 29 October. The STO schedule is provided below.

Observers should strictly abide by the [Code of Conduct for ODIHR Observers](#) and the deployment plan prepared by the ODIHR EOM. Observers should also familiarize themselves with the [Guide on the OSCE Policy against Harassment, Sexual Harassment and Discrimination](#) and the [ODIHR Guide on Promoting a Professional Working Environment on Election Observation Activities](#). The security and safety of observers are of the highest priority and will take precedence in EOM management, including the deployment plan. All observers will receive security and Code of Conduct briefings upon arrival and are required to operate in accordance with security guidelines. The seconding States are required to ensure that their observers adhere to national rules and regulations related to entry, including with regard to potential requirements related to health insurance.

The working language of the EOM is English. All briefings and reporting will be in English and all interpreters will work in local languages/English. All STOs must therefore have a good working knowledge of both written and spoken English.

ODIHR strongly encourages all observers to undertake the ODIHR comprehensive e-learning course for observers, available at www.odihrobserver.org.

STOs are requested to familiarize themselves with the ODIHR Election Observation Handbook, available online at www.osce.org/odihr/elections/68439.

STOs are kindly asked to refrain from commenting on mission related issues via social media. In line with the [Code of Conduct for ODIHR Observers](#), media communications regarding the electoral process and the substance of observations should be made only by the Head of Mission, ODIHR Spokesperson, or other responsible ODIHR officials.

A COPY OF THIS INFORMATION SHEET IS AVAILABLE ON THE ODIHR WEBSITE AND SHOULD BE MADE AVAILABLE TO ALL SECONDED STOs.

STOs are kindly reminded to adhere to the deployment timetable and attend the briefing.

a) Briefing

Before deployment, STOs will receive an in-depth briefing, which will include:

- code of conduct and professional working environment;
- overview of the country, political, campaign and the media environment;
- voting, counting, and tabulation procedures;
- observation forms;
- security advisory;
- logistical and financial arrangements.

STOs will also be provided with briefing materials, which will include all necessary electoral and logistical information, as well as observation forms to complete during the observation of voting, counting, and tabulation.

b) Deployment

The ODIHR EOM will develop a deployment plan. STOs should strictly abide by the deployment plan and security instructions. STOs should not request special treatment with regard to deployment locations.

In respect of in-country travel organized by ODIHR, please note that **STOs are required to complete the standard OSCE Liability Release Form and the CEC accreditation application** and attach them to the online mission registration form by **8 October 2024**.

c) Debriefing

A debriefing for STOs will be organized in Tbilisi after the elections. This will provide an opportunity for STOs to discuss their main findings and share their conclusions with other observers and EOM members.

2. Logistics and Security

a) Contact details

All logistical arrangements for the STOs will be organized by the EOM under the direction of:

Kyle Bowers Operations Expert
e-mail: kyle.bowers@odihhr.ge
mob: +995 577 943 076

b) Transportation/Accommodation

All STOs will be met at the Tbilisi International Airport by an ODIHR EOM representative and transported to their accommodation. Transport and accommodation in Tbilisi and in the areas of observation will be arranged by the EOM.

IMPORTANT: Hotels in Tbilisi will likely require guests arriving/departing in the early morning hours to pay the full overnight rate.

For safety and security reasons and to prevent logistical problems with transportation, observers are expected to use the accommodation arranged for them by the ODIHR EOM. The EOM will also make all arrangements for in-country travel to deployment areas and on-site drivers, cars, and interpreters.

If ODIHR is not duly notified in advance, STOs or the respective OSCE seconding State will be charged for the cost, regardless of whether the accommodation provided is used. The EOM cannot provide airport transfers and in-city transportation for STOs who do not stay in the designated accommodation.

STOs will deploy from Tbilisi to the regions by bus or car. STO deployment will be planned in accordance with national regulations and the EOM's safety and security guidelines.

The ODIHR EOM will make necessary arrangements for the STOs to return to Tbilisi on 28 October and will arrange accommodation in Tbilisi. The EOM will arrange transfers to the airport for all STOs from ODIHR designated accommodation.

c) Security

STOs must adhere to the [Code of Conduct for ODIHR Observers](#), as outlined in the ODIHR Election Observation Handbook, and the [Guide on the OSCE Policy against Harassment](#).

[Sexual Harassment and Discrimination](#), as well as security instructions and any applicable national regulations.

STOs who do not stay in accommodation provided by the ODIHR EOM will not be covered by the mission’s security arrangements.

d) Luggage/Essential Items

STOs are advised to bring with them the following items:

- appropriate attire for election day observation; business casual is recommended;
- torch/flashlight with spare battery;
- all necessary personal medication;
- electricity converters (if needed), European style plug.

The ODIHR EOM strongly recommends that STOs, when travelling by air, put essential items into their hand luggage, in case of late arrival of their luggage in Tbilisi.

e) Communication

Each STO will be provided with a mobile phone and a local SIM card with credit for work-related usage. Within each team, one member will have use of a smartphone and the other member will have use of a traditional mobile phone. Please note that using phones for international calls and SMSs will not be possible.

f) Time zone/Flight bookings

The local time in Georgia is GMT/UTC +4:00. The ODIHR EOM strongly encourages seconding States to make early flight bookings. To ensure operational flexibility, (e.g. in case of bad weather conditions), seconding States are advised to book changeable airline tickets.

3. Interpreters and Drivers

The ODIHR EOM will assist STO teams by finding drivers/cars and interpreters. Even in cases where one team member speaks local languages, it will be necessary for that team to have an interpreter in order that both members of the team can have full and equal access to information as they carry out their observation duties.

4. Costs

It is projected that, while in country, **each STO** will incur the following costs, although some STOs may not require the full amount indicated below:

Operational/Transportation cost	EUR
Airport transfers and in-city transportation	70
In-country transportation (to and from deployment area)	100
Communication (SIM card/mobile phone)	50
Briefing costs (briefing, debriefing, briefing pack, meals, shipment)	290
Estimated cost to be incurred by ODIHR on behalf of STOs	510 EUR

Driver & car (EUR 30 per day @ maximum 5 days per observer)*	150
Fuel (EUR 15 per day @ maximum 5 days per observer)*	75
Interpreter (EUR 30 per day @ maximum 5 days per observer)*	150
Accommodation (7 nights @ maximum EUR 125/per night avg.)	875
Meals & incidentals (EUR 50 per day @ maximum 8 days)	400
Accommodation and meals for interpreter if needed (EUR 35 per night @ maximum 4 nights per observer)*	140
Accommodation and meals for driver if needed (EUR 35 per night @ maximum 4 nights per observer)*	140
Costs paid directly by the observers	1,930 EUR
Total cost per observer:	2,440 EUR

* The two members of each STO team will share equally the cost of drivers and interpreters. The amount above therefore represents half of these costs (i.e. for each STO).

The total cost per observer is estimated at **EUR 2,440** (two thousand four hundred and forty Euro), including **EUR 1,930** (one thousand nine hundred and thirty Euro) which the seconding States should supply to each observer in cash prior to their departure to Tbilisi. **The ODIHR EOM is not able to validate or certify documents related to costs paid directly by the observers (receipts, invoices, contracts, etc.).**

EUR 510 (five hundred and ten Euro) is the projected cost per each STO to be incurred by ODIHR. After closure of the EOM, each seconding State will be billed by ODIHR on the basis of total actual expenses incurred and the number of seconded STOs. Payment instructions will be provided to the seconding States with the final invoice.

All of the above costs should be paid in local currency or Euro. The Euro is widely exchangeable locally although other currencies can also be exchanged. Cash machines (ATMs) are widely available in Tbilisi and cities around Georgia. A small number of cash machines in Tbilisi also dispense Euro but will typically charge significant fees or unfavorable rates, depending upon your individual bank. Hotels in Georgia generally do not accept foreign currency for payment. Credit cards are accepted in most hotels but STOs should be prepared to pay in cash on some occasions in smaller towns. The local currency is the Georgian lari (GEL). The exchange rate currently is: 1 EUR = 2.97, 1 USD = 2.69 and 1 GBP = 3.51.

5. Visas and Insurance

a) Visa

Seconding States should confirm visa requirements for their STOs. If required, visas must be obtained at the nearest embassy or consulate of Georgia prior to arrival.

b) Insurance

STOs should ensure that they arrive with adequate health (including COVID-19), accidental/life disability, emergency/medical evacuation, property, theft, and accident insurance, as this will

not be provided by ODIHR. **STOs must have a copy of their insurance policy with them, as well as two copies of the data page of their passport and the visa (if applicable).**

6. Registration and Accreditation Process

After receiving this Information Sheet, all OSCE participating States considering secondment are requested to inform ODIHR on the number of STOs (to the attention of Sylwia Zwolinska or Anna Krzysztofik; e-mail: sylwia.zwolinska@odihr.pl, anna.krzysztofik@odihr.pl) no later than **1 October 2024**.

To be nominated by the seconding States, STOs are required to create a personal account in the Election Expert Database, fully complete their profile, and share it with their national focal point. The seconding States are requested to submit the names of proposed STOs using the Election Expert Database as soon as possible and no later than **1 October 2024; 16:00 (Warsaw Time)**.

After the nomination deadline, ODIHR will consider the overall number of nominations received and confirm the final numbers it is in a position to receive from each seconding State and, subsequently, enable the focal point to proceed with the on-line registration.

In respect of in-country travel organized by ODIHR, please note that STOs are required to complete the standard OSCE Liability Release Form and attach it to the on-line mission registration form **by 8 October 2024**.

For the purposes of accreditation of STOs with the Central Election Commission of Georgia, the completed **CEC accreditation application** and **passport copy** must be uploaded during online registration by **8 October 2024**.

The seconding States which have not requested access to the Election Expert Database as a national Focal Point yet or require additional guidance on the observers' registration process should contact Sylwia Zwolinska or Anna Krzysztofik; e-mail: sylwia.zwolinska@odihr.pl, anna.krzysztofik@odihr.pl.

An official cover letter from the Ministry of Foreign Affairs of the seconding State or designated national focal point should be sent together with the list of STO names to the attention of Sylwia Zwolinska or Anna Krzysztofik (e-mail: sylwia.zwolinska@odihr.pl, anna.krzysztofik@odihr.pl) by **8 October 2024**.

<p style="text-align: center;">IN ORDER TO MAKE ALL LOGISTICAL ARRANGEMENTS ON TIME, NO APPLICATIONS WILL BE CONSIDERED BY ODIHR UNDER ANY CIRCUMSTANCES AFTER 8 OCTOBER 2024.</p>

STOs must not have any concurrent commitments that could produce a conflict of interest with the ODIHR EOM.

ODIHR reserves the right to reject any candidate who is not capable of undertaking his/her activities in an impartial and objective manner, and to withdraw accreditation in case of any serious breach of the [Code of Conduct for ODIHR Observers](#).
