INTERPRETATIVE STATEMENT UNDER PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE OF THE ORGANIZATION FOR SECURITY AND CO-OPERATION IN EUROPE

By the delegation of the Russian Federation:

“In joining the consensus in support of the Permanent Council decision on the extension of the mandate of the OSCE Special Monitoring Mission to Ukraine (SMM), the Russian Federation takes the position that the geographical area of deployment and the activities of the aforementioned Mission are strictly defined within the parameters of its mandate approved by Permanent Council Decision No. 1117 of 21 March 2014, which reflects the political and legal realities existing at that time, and specifically, the fact that the Republic of Crimea and the federal city of Sevastopol are an integral part of the Russian Federation.

In view of the need to implement the provisions of the Package of Measures for the Implementation of the Minsk Agreements of 12 February 2015, including those concerning the establishment of a lasting ceasefire regime, the priority attention of the SMM should be given to monitoring the line of contact equally on both sides. Hushing up or distorting information and presenting it in support of or against one of the parties to the intra-Ukrainian conflict is inadmissible. At the same time, it is expedient to increase the volume and quality of the SMM’s reporting on the domestic political situation in the other regions of Ukraine, human rights violations, restrictions on freedom of speech, manifestations of nationalism and the clampdown on the Russian language and culture.

We request that this statement be appended to the decision adopted, and attached to the journal of the day.”
INTERPRETATIVE STATEMENT UNDER
PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE
OF THE ORGANIZATION FOR SECURITY AND
CO-OPERATION IN EUROPE

By the delegation of the United States of America:

“The United States welcomes the extension of the mandate of the OSCE Special Monitoring Mission to Ukraine. In so doing, we reaffirm the interpretative statements we made upon adoption of the mandate on 21 March 2014, upon the first extension of the mandate on 24 July 2014, the second extension of the mandate on 12 March 2015, and the third extension of the mandate on 18 February 2016. These interpretative statements were made under paragraph IV.1(A)6 of the Rules of Procedure, and we note they remain in force.

We remind the Permanent Council of the key elements of these statements:

The United States reaffirms its firm commitment to Ukraine’s sovereignty and territorial integrity within its internationally recognized borders.

We note that the Special Monitoring Mission to Ukraine has a mandate to work throughout Ukraine, including Crimea.

We note that all participating States must co-operate with the Special Monitoring Mission and must take no action to obstruct its access to Crimea or any other region of Ukraine.

We offer our gratitude to all monitors, staff, and leadership of the Special Monitoring Mission for their dedicated service under difficult and at times dangerous conditions.

We call on Ukraine, Russia, and the Russia-backed separatists to ensure that the Special Monitoring Mission has unfettered movement throughout the entire territory of Ukraine, and to guarantee the safety and security of SMM monitors as they carry out their duties.

We stress, once again, that attacks, threats, and intimidation of any kind against SMM monitors are unacceptable, inconsistent with this mandate, and must end. Attempts to interfere with SMM operations, including SMM UAV flights and other technical monitoring means, are also inconsistent with this mandate and must end as well. Such acts undermine Minsk implementation.
I request that this interpretative statement be attached to the decision and to the journal of the day.

Thank you, Mr. Chairperson.”
INTERPRETATIVE STATEMENT UNDER
PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE
OF THE ORGANIZATION FOR SECURITY AND
CO-OPERATION IN EUROPE

By the delegation of Canada:

“Mr. Chairperson,

Canada also wishes to make an interpretative statement under paragraph IV.1(A)6 of the OSCE Rules of Procedure in connection with the Permanent Council decision just adopted on the extension of the mandate of the OSCE Special Monitoring Mission to Ukraine.

Canada welcomes the adoption of this decision, and we congratulate the Austrian Chairmanship for successfully achieving this timely result.

In this context, we wish to reiterate our full support for Ukraine’s sovereignty and territorial integrity. As per the mandate we have just extended, we expect that the OSCE SMM will be granted “safe and secure access throughout Ukraine”, as defined by the Constitution of Ukraine. In this context, I would stress that Canada has not, and will not, recognize the illegal annexation of Ukraine’s Autonomous Republic of Crimea by the Russian Federation.

Canada requests that this statement be attached to the decision, and reflected in the journal of the day.

Thank you.”
INTERPRETATIVE STATEMENT UNDER
PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE
OF THE ORGANIZATION FOR SECURITY AND
CO-OPERATION IN EUROPE

By the delegation of Ukraine:

“Mr. Chairperson,

In connection with the Permanent Council decision on the extension of the mandate of the OSCE Special Monitoring Mission to Ukraine, the delegation of Ukraine would like to make the following interpretative statement under paragraph IV.1(A)6 of the Rules of Procedure of the Organization for Security and Co-operation in Europe.

Ukraine expresses its gratitude to the OSCE participating States for supporting the request of the Government of Ukraine to extend the mandate of the OSCE Special Monitoring Mission for the next period of twelve months.

The Government of Ukraine regards the adoption of this decision as the expression of continued readiness of the Organization to assist the country in countering the severe consequences of the aggression pursued by the Russian Federation against Ukraine in breach of imperative norms of international law, the Helsinki Final Act, bilateral and multilateral agreements, which guarantee Ukraine’s territorial integrity, inviolability of borders and non-intervention in internal affairs of Ukraine.

We see as critically important the role of the OSCE and the SMM in facilitating a peaceful resolution in the Donbas region of Ukraine with full respect to Ukraine’s independence, sovereignty, political unity and territorial integrity.

Ukraine strongly supports the SMM in accomplishing its tasks relating to monitoring the implementation of relevant provisions of the Minsk agreements, which include the Protocol and Memorandum of September 2014 and the Package of Measures of February 2015.

We attach particular importance to further reinforcement of the OSCE Special Monitoring Mission to Ukraine with human resources and technical devices in order to ensure effective monitoring and verification of implementation of the Minsk agreements, in particular concerning the comprehensive ceasefire, the withdrawal of heavy weapons and border monitoring.
The OSCE monitors must have full access throughout Ukraine’s territory, which includes the Autonomous Republic of Crimea and the city of Sevastopol.

The Government of Ukraine reiterates its original interpretative statement appended to the Permanent Council Decision No. 1117 of 21 March 2014 which remains in force. The mandate of the mission covers the entire territory of Ukraine within its internationally recognized borders, including the Autonomous Republic of Crimea and the city of Sevastopol.

The delegation of Ukraine requests that this statement be attached to the decision and recorded in the journal of the day.

Thank you, Mr. Chairperson.”
The delegation of Malta, in its capacity as EU Presidency, passed the floor to the representative of the European Union, who delivered the following statement:

“In connection with the Permanent Council decision on the extension of the mandate of the OSCE Special Monitoring Mission to Ukraine, the European Union and its Member States would like to make the following interpretative statement under the relevant provisions of the Rules of Procedure:

The European Union welcomes the adoption of the decision to extend the mandate of the OSCE Special Monitoring Mission to Ukraine. We thank the Austrian Chairmanship for its efforts in facilitating this extension.

We reiterate our unwavering support to Ukraine’s independence, sovereignty, unity and territorial integrity within its internationally recognized borders. We will not recognize the illegal annexation of Crimea and Sevastopol to the Russian Federation. In response to the interpretative statement made by the Russian Federation, we reiterate that the SMM mandate covers the whole of Ukraine, including Crimea. We call on all sides to provide security and safety and unconditional access for SMM monitors, including to all parts of the Donetsk and Luhansk regions and along the Ukrainian-Russian border.

The SMM has a vital role to play in the implementation of the Minsk Protocol, the Minsk Memorandum, and the package of measures for implementation of the Minsk Agreements towards a sustainable political solution based on the full respect for OSCE principles and commitments.

In addition, we look forward to a substantive assessment and discussion of the implementation of the SMM budget at the mandate mid-year point, to ensure accurate spend, in particular for monitoring activities. Improving efficiency and achieving cost savings must continue to be a cornerstone of the work of the fund manager.

I request that this interpretative statement be attached to the decision and to the journal of the day.”
