

# HATE MONITOR

MAY 2022

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

### Highlighted

From 19 to 29 May, CaHS throughout BiH marked the World Day of Cultural Diversity for Dialogue and Development by creating murals, cultural and artistic performances, radio shows, cross-entity gatherings of young people and CSOs, and street actions and roundtables for local institutions. Events aimed to establish and reinforce connections between the public and CSO stakeholders, and foster relationships between cultural groups.

The Hate Monitor provides an update on all potential hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report.
