

II

CSCE HIGH COMMISSIONER ON NATIONAL MINORITIES

- (1) The participating States decide to establish a High Commissioner on National Minorities.

Mandate

- (2) The High Commissioner will act under the aegis of the CSO and will thus be an instrument of conflict prevention at the earliest possible stage.
- (3) The High Commissioner will provide "early warning" and, as appropriate, "early action" at the earliest possible stage in regard to tensions involving national minority issues which have not yet developed beyond an early warning stage, but, in the judgement of the High Commissioner, have the potential to develop into a conflict within the CSCE area, affecting peace, stability or relations between participating States, requiring the attention of and action by the Council or the CSO.
- (4) Within the mandate, based on CSCE principles and commitments, the High Commissioner will work in confidence and will act independently of all parties directly involved in the tensions.
- (5a) The High Commissioner will consider national minority issues occurring in the State of which the High Commissioner is a national or a resident, or involving a national minority to which the High Commissioner belongs, only if all parties directly involved agree, including the State concerned.
- (5b) The High Commissioner will not consider national minority issues in situations involving organized acts of terrorism.
- (5c) Nor will the High Commissioner consider violations of CSCE commitments with regard to an individual person belonging to a national minority.
- (6) In considering a situation, the High Commissioner will take fully into account the availability of democratic means and international instruments to respond to it, and their utilization by the parties involved.

- (7) When a particular national minority issue has been brought to the attention of the CSO, the involvement of the High Commissioner will require a request and a specific mandate from the CSO.

Profile, appointment, support

- (8) The High Commissioner will be an eminent international personality with long-standing relevant experience from whom an impartial performance of the function may be expected.
- (9) The High Commissioner will be appointed by the Council by consensus upon the recommendation of the CSO for a period of three years, which may be extended for one further term of three years only.
- (10) The High Commissioner will draw upon the facilities of the ODIHR in Warsaw, and in particular upon the information relevant to all aspects of national minority questions available at the ODIHR.

Early warning

- (11) The High Commissioner will:
- (11a) collect and receive information regarding national minority issues from sources described below (see Supplement paragraphs (23)-(25));
- (11b) assess at the earliest possible stage the role of the parties directly concerned, the nature of the tensions and recent developments therein and, where possible, the potential consequences for peace and stability within the CSCE area;
- (11c) to this end, be able to pay a visit, in accordance with paragraph (17) and Supplement paragraphs (27)-(30), to any participating State and communicate in person, subject to the provisions of paragraph (25), with parties directly concerned to obtain first-hand information about the situation of national minorities.
- (12) The High Commissioner may during a visit to a participating State, while obtaining first-hand information from all parties directly involved, discuss the questions with the parties, and where appropriate promote dialogue, confidence and co-operation between them.

Provision of early warning

- (13) If, on the basis of exchanges of communications and contacts with relevant parties, the High Commissioner concludes that there is a prima facie risk of potential conflict (as set out in paragraph (3)) he/she may issue an early warning, which will be communicated promptly by the Chairman-in-Office to the CSO.
- (14) The Chairman-in-Office will include this early warning in the agenda for the next meeting of the CSO. If a State believes that such an early warning merits prompt consultation, it may initiate the procedure set out in Annex 2 of the Summary of Conclusions of the Berlin Meeting of the Council ("Emergency Mechanism").
- (15) The High Commissioner will explain to the CSO the reasons for issuing the early warning.

Early action

- (16) The High Commissioner may recommend that he/she be authorized to enter into further contact and closer consultations with the parties concerned with a view to possible solutions, according to a mandate to be decided by the CSO. The CSO may decide accordingly.

Accountability

- (17) The High Commissioner will consult the Chairman-in-Office prior to a departure for a participating State to address a tension involving national minorities. The Chairman-in-Office will consult, in confidence, the participating State(s) concerned and may consult more widely.
- (18) After a visit to a participating State, the High Commissioner will provide strictly confidential reports to the Chairman-in-Office on the findings and progress of the High Commissioner's involvement in a particular question.
- (19) After termination of the involvement of the High Commissioner in a particular issue, the High Commissioner will report to the Chairman-in-Office on the findings, results and conclusions. Within a period of one month, the Chairman-in-Office will consult, in confidence, on the findings, results and conclusions the participating State(s) concerned and may consult

more widely. Thereafter the report, together with possible comments, will be transmitted to the CSO.

- (20) Should the High Commissioner conclude that the situation is escalating into a conflict, or if the High Commissioner deems that the scope for action by the High Commissioner is exhausted, the High Commissioner shall, through the Chairman-in-Office, so inform the CSO.
- (21) Should the CSO become involved in a particular issue, the High Commissioner will provide information and, on request, advice to the CSO, or to any other institution or organization which the CSO may invite, in accordance with the provisions of Chapter III of this document, to take action with regard to the tensions or conflict.
- (22) The High Commissioner, if so requested by the CSO and with due regard to the requirement of confidentiality in his/her mandate, will provide information about his/her activities at CSCE implementation meetings on Human Dimension issues.

Sources of information about national minority issues

- (23) The High Commissioner may:
- (23a) collect and receive information regarding the situation of national minorities and the role of parties involved therein from any source, including the media and non-governmental organizations with the exception referred to in paragraph (25);
- (23b) receive specific reports from parties directly involved regarding developments concerning national minority issues. These may include reports on violations of CSCE commitments with respect to national minorities as well as other violations in the context of national minority issues.
- (24) Such specific reports to the High Commissioner should meet the following requirements:
- they should be in writing, addressed to the High Commissioner as such and signed with full names and addresses;
 - they should contain a factual account of the developments which are relevant to the situation of persons belonging to national minorities and the role of the parties involved therein, and which have taken place recently, in principle not more than 12 months previously. The reports should contain information which can be sufficiently substantiated.
- (25) The High Commissioner will not communicate with and will not acknowledge communications from any person or organization which practises or publicly condones terrorism or violence.

Parties directly concerned

- (26) Parties directly concerned in tensions who can provide specific reports to the High Commissioner and with whom the High Commissioner will seek to communicate in person during a visit to a participating State are the following:
- (26a) governments of participating States, including, if appropriate, regional and local authorities in areas in which national minorities reside;
- (26b) representatives of associations, non-governmental organizations, religious and other groups of national minorities directly concerned and in the area of tension, which are authorized by the persons belonging to those national minorities to represent them.

Conditions for travel by the High Commissioner

- (27) Prior to an intended visit, the High Commissioner will submit to the participating State concerned specific information regarding the intended purpose of that visit. Within two weeks the State(s) concerned will consult with the High Commissioner on the objectives of the visit, which may include the promotion of dialogue, confidence and co-operation between the parties. After entry the State concerned will facilitate free travel and communication of the High Commissioner subject to the provisions of paragraph (25) above.
- (28) If the State concerned does not allow the High Commissioner to enter the country and to travel and communicate freely, the High Commissioner will so inform the CSO.
- (29) In the course of such a visit, subject to the provision of paragraph (25) the High Commissioner may consult the parties involved, and may receive information in confidence from any individual, group or organization directly concerned on questions the High Commissioner is addressing. The High Commissioner will respect the confidential nature of the information.
- (30) The participating States will refrain from taking any action against persons, organizations or institutions on account of their contact with the High Commissioner.

High Commissioner and involvement of experts

- (31) The High Commissioner may decide to request assistance from not more than three experts with relevant expertise in specific matters on which brief, specialized investigation and advice are required.
- (32) If the High Commissioner decides to call on experts, the High Commissioner will set a clearly defined mandate and time-frame for the activities of the experts.
- (33) Experts will only visit a participating State at the same time as the High Commissioner. Their mandate will be an integral part of the mandate of the High Commissioner and the same conditions for travel will apply.
- (34) The advice and recommendations requested from the experts will be submitted in confidence to the High Commissioner, who will be responsible for the activities and for the reports of the experts and who will decide whether and in what form the advice and recommendations will be communicated to the parties concerned. They will be non-binding. If the High Commissioner decides to make the advice and recommendations available, the State(s) concerned will be given the opportunity to comment.
- (35) The experts will be selected by the High Commissioner with the assistance of the ODIHR from the resource list established at the ODIHR as laid down in the Document of the Moscow Meeting.
- (36) The experts will not include nationals or residents of the participating State concerned, or any person appointed by the State concerned, or any expert against whom the participating State has previously entered reservations. The experts will not include the participating State's own nationals or residents or any of the persons it appointed to the resource list, or more than one national or resident of any particular State.

Budget

- (37) A separate budget will be determined at the ODIHR, which will provide, as appropriate, logistical support for travel and communication. The budget will be funded by the participating States according to the established CSCE scale of distribution. Details will be worked out by the Financial Committee and approved by the CSO.
