**INFORMATION SHEET
REQUEST FOR SHORT-TERM OBSERVERS**

**EARLY PARLIAMENTARY ELECTIONS
REPUBLIC OF KAZAKHSTAN
20 March 2016**

Following an official invitation from the Ministry of Foreign Affairs of the Republic of Kazakhstan, the OSCE/ODIHR has established an Election Observation Mission (EOM) to observe the early parliamentary elections scheduled for 20 March 2016. Ambassador Boris Frlec has been appointed Head of the OSCE/ODIHR EOM. The mission consists of 10 additional core team members based in Astana, and 27 long-term observers (LTOs) deployed throughout the country. The core team and LTOs come from a total of 18 OSCE participating States.

The OSCE/ODIHR requests participating States to second **four hundred (400)** short-term observers (STOs) to observe voting, counting and the tabulation of results. STOs will be deployed in multinational teams of two, under a deployment plan prepared by the OSCE/ODIHR EOM. In the interest of a broad and balanced representation among participating States, the OSCE/ODIHR requests that individual participating States nominate only up to 15 per cent of the total number of requested STOs.

Committed to achieving gender balance in its activities, the OSCE/ODIHR encourages OSCE participating States to second equal numbers of female and male STOs.

Seconding States should confirm visa requirements for their STOs. If required, visas must be obtained at the nearest embassy or consulate of the Republic of Kazakhstan prior to arrival. Only in cases where there is no embassy or consulate of the Republic of Kazakhstan in the seconding State, visas can be issued on arrival at the airport in Astana.

To facilitate accreditation of observers by the Central Election Commission (CEC) and the issuance of visas (if required), the OSCE/ODIHR online registration form must be completed **no later than Friday, 4 March by 12:00 noon CET**. All STOs are required to arrive in Astana **by Wednesday 16 March, in the morning** and depart (at the earliest) on **Wednesday, 23 March, in the morning**. The STO activity schedule is provided below.

Observers should strictly abide by the OSCE/ODIHR Observer Code of Conduct and deployment plan prepared by the OSCE/ODIHR EOM. The security and safety of observers is of the highest priority and will take precedence in EOM management, including the deployment plan. All observers will receive a security briefing upon arrival and are required to operate in accordance with security guidelines and instructions.

The working language of the EOM is English. All briefings, de-briefings and reporting will be conducted in English and all interpreters will work in local languages/English. All STOs must, therefore, have a good working knowledge of both written and spoken English.

The OSCE/ODIHR strongly encourages all observers to undertake the comprehensive e-learning course for OSCE/ODIHR observers, available at www.odihrobserver.org.

A COPY OF THIS INFORMATION SHEET IS AVAILABLE ON THE OSCE/ODIHR WEBSITE AND SHOULD BE MADE AVAILABLE TO ALL SECONDED STOs.

The OSCE/ODIHR EOM Office is situated in Astana:

2. Logistics

a) Contact details

All logistical arrangements for the STOs will be organized by the EOM under the direction of:

Jane Kareski, Operations Expert
E-mail: jane.kareski@odihr.kz; mobile phone: +7 702 2049745

b) Transportation/Accommodation

All STOs will be met at Astana International Airport by an OSCE/ODIHR representative upon their arrival and transported to their accommodation. Transport and accommodation in Astana and in the areas of observation will be arranged by the OSCE/ODIHR EOM. **Due to the limited availability of accommodation in Astana and the observation areas, STOs should be aware that double occupancy per room of observers of the same gender is possible, and relatively modest conditions may be expected in some of the observation areas.**

For safety reasons and to prevent problems with transportation, observers are expected to use the accommodation arranged for them by the OSCE/ODIHR EOM. The EOM will also make all arrangements for in-country travel to deployment areas and for on-site drivers, cars and interpreters.

However, should any of the observers choose not to stay in the accommodation arranged by the OSCE/ODIHR EOM, the seconding States should indicate this while registering on-line. **If the OSCE/ODIHR is not notified in advance, STOs or the respective**

OSCE participating States will be charged for the cost, regardless of whether the accommodation provided is used. It should be noted that the EOM cannot provide airport transfers and in-city transportation for STOs who choose to stay outside the designated accommodation.

STOs will deploy from Astana to the regions by plane, train, bus or car.

The OSCE/ODIHR EOM will make necessary arrangements for the STOs to return to Astana on Tuesday, 22 March, as well as arrange accommodation in Astana. The EOM will arrange transfers to the airport for all STOs.

c) Security

A memo on security details for the STOs will be handed over to the observers upon arrival. **STOs who choose not to stay in accommodation provided by the OSCE/ODIHR EOM will not be covered by the mission's security arrangements.**

d) What to bring

Due to potential modest conditions in the regions, STOs are advised to bring with them the following items:

- appropriate attire for election day observation – business casual is recommended;
- torch/flashlight with spare bulb and battery;
- all necessary medication (case-specific);
- electricity converters (if needed) – European style plug.

The OSCE/ODIHR EOM strongly recommends that STOs, when travelling by air, put essential items into the hand luggage, in case of late arrival of their luggage in Astana.

e) Communication

STOs will be provided with a mobile phone and a local SIM card with credit. Please note that using mobile phones for international calls and SMSs should be avoided. Such usage is very expensive and will quickly deplete allocated phone credit.

f) Time zone/Flight bookings

Local time in Astana is UTC/GMT + 6 hours. Due to the limited number of scheduled flights to Astana, the OSCE/ODIHR EOM strongly encourages participating States to make early flight bookings. To ensure operational flexibility, (e.g. in case of bad weather conditions), participating States are advised to book changeable airline tickets.

3. Interpreters and Drivers

All observers will be organized in multinational teams of two persons under a deployment plan prepared by the OSCE/ODIHR EOM. The OSCE/ODIHR will assist each short-term observer team with finding a driver/car and an interpreter. Even in cases where one team member speaks local languages, it will be necessary for that team to have an interpreter in order that both members of the team can have full access to complete and equal information as they carry on their observation duties.

4. Costs

It is projected that, while in country, **each STO** will incur the following costs, although some STOs may not require the full amount indicated below:

| Operational/Transportation Cost | EUR |
|---|------------------|
| Airport/Railway station transfers (Astana and regions) | 30 |
| In-city transportation (movement to and from STO briefing/de-briefing) | 15 |
| In-country transportation (to and from the deployment area) | 315 |
| Communication (SIM card/mobile phone use/e-pen expenses) | 20 |
| Briefing costs (briefing, debriefing, briefing pack, meals) | 205 |
| Estimated cost to be incurred by ODIHR on behalf of STOs | 585 EUR |
| Driver/car (EUR 35 per day @ Max 5 days per observer)* | 175 |
| Fuel (EUR 15 per day @ Max 5 days per observer)* | 75 |
| Interpreter (EUR 35 per day @ Max 5 days per observer)* | 175 |
| Transmission of observation forms per observer | 15 |
| Accommodation (7 nights @ max. EUR 110/per night + partial payment for early arrival in Astana) | 825 |
| Meals & Incidentals (approx. EUR 50 per day @ max. 7 days) | 350 |
| Accommodation and meals for interpreter if needed (EUR 40 per night @ 4 nights per observer)* | 160 |
| Accommodation and meals for driver if needed (EUR 40 per night @ 4 nights per observer)* | 160 |
| Costs paid directly by the observers | 1,935 EUR |
| Total cost per observer: | 2,520 EUR |

* The two members of each STO team will share equally the cost of drivers and interpreters. The amount above therefore represents half of these costs (i.e. per each STO).

The total cost per one observer is estimated at **EUR 2,520** (Two thousand five hundred twenty Euro), including **EUR 1,935** (One thousand nine hundred thirty five Euro) which the participating States should supply to each observer in cash prior to their departure to Astana.

EUR 585 (Five hundred eighty five Euro) is the projected cost per each STO to be incurred by OSCE/ODIHR. After closure of the EOM each seconding State will be billed by OSCE/ODIHR on the basis of total actual expenses incurred and the number of seconded STOs. Payment instructions will be provided to the seconding States with the final invoice.

All of the above costs should be paid in local currency or Euro. The Euro and the U.S. Dollar are both widely exchangeable in the Republic of Kazakhstan, although other currencies can also be exchanged. There are many cash machines (ATMs) throughout the country – and certainly in Astana, Almaty and other major cities – but they do not dispense foreign currency. ATMs may not be available in some areas of deployment. Hotels outside Astana and Almaty may not accept credit cards. STOs should at least be prepared to pay hotel bills outside Astana and Almaty in cash or in local currency and sometimes upon check-in. Travellers cheques cannot be used. The local currency in Kazakhstan is the Kazakhstani Tenge (KZT). The exchange rates are approximately:

1 EUR = 397 1 USD = 340 1 GBP = 525 1 RUB = 4.75

5. Visas and Insurance

Seconding States should confirm visa requirements for their STOs. If required, visas must be obtained at the nearest embassy or consulate of the Republic of Kazakhstan prior to arrival.

For STOs without an embassy or consulate of the Republic of Kazakhstan in their country of residence, seconding States are requested to inform the OSCE/ODIHR office in Warsaw (Sylwia Zwolinska or Anna Krzysztofik – see below), as soon as possible in order to receive support, if necessary, with issuance of visas.

IMPORTANT: All short-term observers should ensure that they arrive with adequate health, accidental/life disability, emergency/medical evacuation, property, theft and accident insurance, as this will not be provided by the OSCE/ODIHR. **STOs must have a copy of their insurance policy with them, as well as two copies of the data page of their passport and the visa (if applicable).**

6. Registration and Accreditation Process

Registration of STOs

After receiving this information sheet, all OSCE participating States seconding STOs should submit **a list of names** (first name, last name, passport number) of seconded STOs to OSCE/ODIHR **to the attention of Sylwia Zwolinska or Anna Krzysztofik.**

Sylwia Zwolinska, Senior Administrative Assistant,

An official cover letter from MFAs or designated recruitment organizations should be sent together with the list of STO names.

After submitting the list of STOs, the seconding State should register each of their proposed candidates online using the Registration Form available at:
<http://stodb.odihr.pl>

This on-line Registration Form will be available from 22 February to 4 March 2016, 12:00 noon CET.

Before using the on-line registration system, the seconding State should contact the OSCE/ODIHR, Sylwia Zwolinska or Anna Krzysztofik, and obtain a username and a password. These parameters are necessary to enter the registration system.

Accreditation of STOs

For accreditation to be completed in accordance with the requirements of the Central Election Commission of the Republic of Kazakhstan, each STO application **must** include a scanned electronic version of the fully completed and signed Application Form for an Observer of Foreign State and International Organization, attached hereto. **The forms must be completed neatly and legibly or they will be refused by the CEC.**

In addition to the accreditation form, the CEC requires a scanned copy of the passport.

STOs require accreditation from the relevant authority before they can undertake their observer duties. The EOM will forward the names of STOs to the relevant authority in advance to facilitate the accreditation process. An accreditation form for each STO must be submitted in advance of arrival.

Briefing

Before deployment, STOs will be provided with an in-depth briefing, which will include:
