

**RECOMMENDATIONS OF MPDL – MOVEMENT FOR PEACE BASED ON ITS
STATEMENT MADE ON WORKING SESSION 1, “TOLERANCE AND NON-
DISCRIMINATION”**

2007 HUMAN DIMENSION IMPLEMENTATION MEETING

Warsaw, 26 September 2007.

1. KOSOVO:

- (a) As per the limited knowledge of citizens and judges of the existing Anti-Discrimination Law in Kosovo, MPDL recommends wide information and education campaigns.
- (b) Due to the slowness of the court procedures and the massive backlog of cases, MPDL strongly supports the idea of addressing more resources, including monitoring activity, to unblock this situation and to have real and effective mechanisms of access to justice.

2. CROATIA:

- (a) As there is no specific law on Anti-Discrimination, MPDL invites the Croatian authorities to its prompt adoption.
- (b) Effective implementation of the Constitutional Law on National Minorities in the “Areas of Special State Concern”.

3. SERBIA:

- (a) As there is no specific law on Anti-Discrimination, MPDL invites the Serbian authorities to its prompt adoption.

4. BOSNIA – HERZEGOVINA:

- (a) As there is no specific law on Anti-Discrimination, MPDL invites the authorities from Bosnia–Herzegovina to its prompt adoption.
- (b) Recognize the right of other nationalities other than the 3 constituent ones (bosniaks, serbs and croats) to have access to the different levels (state and federal) of governments.
- (c) An effective functioning of the Council on Minorities on the state level, a body already foreseen in the legislation but without a real activity nowadays.
