

**Table of ceasefire violations<sup>1</sup>**

| SMM position  | Location of event | Observation                                | Type of weapon/ammunition       | Time/date                         |
|---|-------------------|--|---------------------------------|-----------------------------------|
| Donetsk central railway station (“DPR”-controlled, 6km NW of Donetsk city centre) | N/K               | Heard 1 undetermined explosion             | Mortar (82mm)                   | 22 December, 7:42hrs <sup>2</sup> |
|   |                   | Heard single shots                         | Small arms                      |                                   |
|   |                   | Heard single shots                         | LW (possibly 30mm cannon)       |                                   |
|   |                   | Heard 1 undetermined explosion             | Mortar (82mm)                   | 22 December, 7:53hrs              |
|   | 4-5km NW          | Heard exchange of fire                     | Small arms                      | 22 December, 8:39-8:50            |
|   | 4-5km NW          | Heard 5 undetermined explosions            | N/K                             | 22 December, 8:41-9:06            |
|   | 3km N             | Heard 2 undetermined explosions            |                                 | 22 December, 9:10hrs              |
|   |                   | Heard several bursts                       | Small arms                      | 22 December, 12:12hrs             |
|   | 2.5km NNW         | Heard 3 undetermined explosions            | N/K                             | 22 December, 12:13hrs             |
|   | 3km NW            | Heard several bursts                       | Small arms                      | 22 December, 12:40hrs             |
|   | 2.5km NW          | 4-5km W NW                                 | Heard 2 undetermined explosions | N/K                               |
| Heard 3 undetermined explosions   |                   |  | 22 December, 13:39hrs           |                                   |
|   |                   | Heard several shots                        | Small arms                      | 22 December, 13:39hrs             |
| Topolyne (government-controlled, 19km NW of Mariupol)                             | N/K               | Heard more than undetermined 30 explosions | N/K                             | 22 December, 10:04-10:54hrs       |
| Berdianske OP1 (government-controlled, 18km E of Mariupol)                        | NNE               | Heard 15 undetermined explosions           | N/K                             | 22 December, 12:25-12:35hrs       |
| Starohnativka (government-controlled, 53km NE of Mariupol)                        | NW                | Heard 16 explosions(outgoing and impacts)  | Artillery                       | 22 December, 12:30-12:51hrs       |
| Hranitne (government-controlled, 47km NE of Mariupol)                             | NNE               | Heard 9 undetermined explosions            | Artillery                       | 22 December, 12:35-12:55hrs       |
| Novoaidar (government-controlled 49km NW of Luhansk)                              | 10km SE           | Heard 7-8 undetermined explosions          | Artillery                       | 22 December, 10:02hrs             |
| Sokilnyky (“LPR”-controlled 38km NW)  | 2-3km N           | Heard 4 shots                              | Small arms                      | 22 December, 10:45- 11:45hrs-     |
| Trokhizbenka (government-controlled 33km NW Luhansk),                             | 1km N             | Heard 100 mixed explosions and shots       | RPG, AGL, small arms            | 22 December, 11:25-12:00hrs-      |
|   | N/K N             | Heard 3 single shots                       | N/K                             | 22 December, 12:35-12:50hrs       |

<sup>1</sup> **Note:** The table only includes ceasefire violations directly observed by the SMM and it may include those also assessed to be live-fire exercises, controlled detonations, etc. Details provided – in terms of distance, direction, weapons-type, etc. – are based on assessments provided by monitors on the ground, and are not always necessarily precise. When information is not known (indicated with an “N/K”), the SMM was unable to ascertain such information due to distance, weather conditions and/or other considerations.

<sup>2</sup> All time references are in Kyiv time unless otherwise specified.
