

EMBASSY OF GEORGIA TO THE REPUBLIC OF AUSTRIA
PERMANENT MISSION OF GEORGIA TO THE OSCE AND OTHER
INTERNATIONAL ORGANIZATIONS IN VIENNA

S t a t e m e n t

of the Delegation of Georgia

delivered at the 955th session of the OSCE Permanent Council

Vienna, June 6, 2013

Thank you, Mr. Chairman,

My delegation fully subscribes under each and every point made by the EU delegation under the agenda item related to the 34th IPRM meeting.

I would also like to thank the EU for its continuous close attention to the developments in my country and for its firm and just stance on the matters which bear existential importance for Georgia. The EU has always been crucial for both, preventing instability and maintaining peace in Georgia, as well as opening new opportunities for the development of my country.

As for the topics discussed at the 34th IPRM meeting, our delegation has already provided comprehensive information and our views at the last PC meeting. We hope that forthcoming IPRM meeting and the next round of the Geneva International Discussions will bring further clarity to the problems which have been raised at the mentioned IPRM meeting.

One last point, Mr. Chairman: The main lesson learned from the deliberations on the matter would be that only concerted, coordinated and strong voice of the International community can serve as an effective Early Warning mechanism in response to such grave violations of the International Law.

Thank you, Mr. Chairman.
