

HATE MONITOR

NOVEMBER 2016

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

Coalitions against Hate organized 60 events in 24 locations across BiH as part of the Week of Tolerance campaign aimed at encouraging citizen participation in activities promoting tolerance, diversity, inter-ethnic cooperation, and inter-religious dialogue. The Campaign included sports and street events, exhibitions, competitions, meetings and conferences countering hate narratives and promoting reconciliation.

The Hate Monitor provides an update on all hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report each month.
