MINISTERIAL STATEMENT

We note with satisfaction that Armenia and Azerbaijan agreed to continue the ongoing negotiations on the settlement of the Nagorno-Karabakh conflict during the forthcoming election year.

We support the mediation efforts of the Co-Chairmen of the OSCE Minsk Group, and their development with the parties of a set of basic principles for the peaceful settlement of the conflict. We are strongly encouraging both sides to overcome the last remaining differences and thereby to endorse the overall concept of the settlement and to proceed on this basis with drafting a comprehensive Peace Agreement.
