**INFORMATION SHEET
REQUEST FOR SHORT-TERM OBSERVERS**

**SECOND ROUND OF PRESIDENTIAL AND MUNICIPAL ELECTIONS
FORMER YUGOSLAV REPUBLIC OF MACEDONIA
5 April 2009**

VERY URGENT

At the invitation of the government of the former Yugoslav Republic of Macedonia, the OSCE/ODIHR has established an Election Observation Mission (EOM) to observe the presidential and municipal elections scheduled for 22 March 2009, which now have a second round scheduled for 5 April 2009. Mr. Peter Eicher has been appointed Head of the OSCE/ODIHR EOM. The core team consists of 14 members based in Skopje, and 24 long-term observers (LTOs) deployed to 11 locations. A total of 25 OSCE participating States are represented.

The OSCE/ODIHR now requests the participating States to second **three hundred (300)** short-term observers (STOs) to observe voting, counting and the tabulation of results. STOs will be deployed in multinational teams of two under a deployment plan prepared by the EOM. In the interest of a broad and balanced representation among participating States in the EOM, the OSCE/ODIHR requests that individual participating States nominate only up to 10 per cent of the total number of requested STOs.

Committed to achieving gender balance in its activities, the OSCE/ODIHR encourages OSCE participating States to second equal numbers of female and male STOs.

Seconding States should confirm visa requirements for their STOs. Visas must be obtained at an embassy or consulate of the former Yugoslav Republic of Macedonia and can only be issued at the airport in case an STO resides in a State without an embassy of the former Yugoslav Republic of Macedonia.

To ensure accreditation for observers through the State Election Commission (SEC) within the legal deadline, and the timely issuance of visas (if required), the OSCE/ODIHR must receive the following information: name and surname, citizenship, passport number and passport expiry date no later than Wednesday, 25 March 2009. The online registration form must be completed no later than Friday 27 March, 12.00 (noon). As announced in the initial request for short-term observers for the 22 March 2009 presidential and municipal elections, participating States are requested to select as observers for the second-round elections individuals who already observed the first round, and thus are already accredited.

All STOs are required to arrive in Skopje by Wednesday, 1 April and to depart (at the earliest) on Tuesday, 7 April in the morning. The STO activity schedule is provided below.

Observers should strictly abide by the OSCE/ODIHR Observer Code of Conduct and deployment plan prepared by the OSCE/ODIHR EOM. The security and safety of observers is of the highest priority and will take precedence in EOM management, including the deployment plan. All observers will receive a security briefing upon arrival and are requested to strictly comply with security instructions.

The working language of the EOM is English. All briefings, de-briefings and reporting will be conducted in English. During the observation interpreters will work in local languages/English. STOs must have a good working knowledge of both written and spoken English.

A COPY OF THIS INFORMATION SHEET IS AVAILABLE ON THE OSCE/ODIHR WEBSITE AND SHOULD BE MADE AVAILABLE TO ALL SECONDED STOs.

1. Deployment Timetable

Short-term observers (STOs) will be deployed according to the following schedule:

Wednesday, 1 April	Last date for arrival in Skopje
Thursday, 2 April	STO briefing
Friday, 3 April	Deployment to the areas of observation
Saturday, 4 April	Familiarization with areas of observation; observation of early voting
Sunday, 5 April	Election day
Monday, 6 April	Regional debriefing of STOs; STO return to Skopje; STO debriefing meeting; Reception
Tuesday, 7 April	STO repatriation

2. Logistics

a) Contact details

All logistical arrangements for the STOs will be organized by the EOM under the direction of:

Ranko Vukcevic, Operations Expert
ranko.vukcevic@odihr.org.mk ; mobile phone: **+389 70 660128**

b) Transportation/Accommodation

All STOs will be met at Skopje International Airport by an OSCE/ODIHR representative upon their arrival and transported to their accommodation. Transport and accommodation in Skopje and in the areas of observation will be arranged by the OSCE/ODIHR EOM. Due to the limited availability of accommodation in Skopje and the observation areas, STOs should be aware that double occupancy per room of observers of the same gender is likely, and relatively modest conditions may be expected in the observation areas.

For safety reasons and to prevent problems with transportation, observers are expected to use the accommodation arranged for them by the OSCE/ODIHR EOM. The OSCE/ODIHR EOM will also make all arrangements for in-country travel to deployment areas and for on-site drivers, cars and interpreters.

However, should any of the observers choose not to stay in the accommodation arranged by the OSCE/ODIHR EOM, the seconding States should indicate this while registering on-line. **If OSCE/ODIHR is not notified in advance, STOs or the respective OSCE participating States will be charged for the cost regardless of whether the accommodation provided is**

used. It should be noted that the OSCE/ODIHR EOM cannot provide in-city transportation for STOs who choose to stay outside the designated accommodation.

The EOM will make necessary arrangements for the STOs to return to Skopje on Monday, 6 April, as well as arrange accommodation in Skopje. The EOM will arrange transfers to the airport for all STOs.

c) Security

A memo on security details for the STOs will be handed over to the observers upon arrival. **STOs who choose not to stay in accommodation provided by the EOM will not be covered by the mission's security arrangements.**

d) What to bring

Due to potential modest conditions in the regions, STOs are advised to bring with them the following items:

- Appropriate attire for election day observation – business casual is recommended
- torch/flashlight with spare bulb and battery;
- all necessary medication (case-specific);
- electricity converters (if needed) – former Yugoslav Republic of Macedonia is 220 V, European style plug.

The EOM strongly recommends that STOs, while travelling by airplane, put items of the main importance into the hand luggage, in case of late arrival of their luggage in Skopje.

e) Communication

STO teams will be provided with a mobile phone and a local SIM card with credit.

f) Flights Timetable

Local time in Skopje is UTC or GMT +1 hours. The arrival times for international flights to Skopje are mainly in the early morning/afternoon.

Due to the limited number of scheduled flights to Skopje, the EOM strongly encourages participating States to make early flight bookings. All STOs will deploy from Skopje to the regions by bus. To ensure operational flexibility, e.g. in case of bad weather conditions, participating States are advised to book changeable airline tickets.

3. Interpreters and Drivers

All observers will be organized in multinational teams of two persons under a deployment plan prepared by the OSCE/ODIHR EOM. Each team will be provided with an interpreter and a car/driver by the OSCE/ODIHR EOM. Even in cases where one team member speaks local languages, it will still be necessary for that team to have an interpreter in order that both members of the team can have full access to complete and equal information as they carry on their observation duties.

4. Costs

Costs have not increased considerably since the time of last Election Observation Mission in June 2008. It is projected that, while in country, **each STO** will incur the following costs, although some STOs may not require the full amount indicated below:

Operational/Transportation Cost	EUR
Airport transfers	15
In-City Transportation (movement to and from STO briefing/de-briefing)	15
In-Country Transportation (to and from deployment area)	60
Communication (SIM card/mobile phone use)	10
Briefing costs (Briefing, Debriefing, Briefing pack, meals)	140
Estimated cost to be incurred by ODIHR on behalf of STOs	240 EUR
Visa cost (if issued upon arrival)	35
Driver/Car (EUR 35 per day @ 4 days per observer)*	140
Fuel (EUR 15 per day @ 4 days per observer)*	60
Interpreter (EUR 35 per day@4 days per observer)*	140
Faxing of observation forms per observer	15
Accommodation (6 nights @ max EUR 110/per night)	660
Meals & Incidentals (approx. EUR 40 per day @ max 7 days)	280
Accommodation and meals for Interpreter if needed (EUR 40 per night @ max 3 nights per observer)*	120
Accommodation and meals for Driver if needed (EUR 40 per night @ max 3 nights per observer)*	120
Costs paid directly by the observers	1570 EUR
Total cost per observer:	1810 EUR

* The two members of each STO team will share equally the cost of drivers and interpreters. The amount above therefore represents half of these costs (i.e. per each STO).

The total cost per one observer is estimated at **EUR 1810** (one thousand eight hundred and ten EUR), including **EUR 1570** (one thousand five hundred seventy EUR) which the participating States should supply to each observer in cash prior to their departure to Skopje.

EUR 240 (two hundred forty EUR) is the projected cost per each STO to be incurred by OSCE/ODIHR. After closure of the EOM, each seconding State will be billed by

OSCE/ODIHR on the basis of total actual expenses incurred and the number of seconded STOs. Payment instructions will be provided to the seconding States with the final invoice.

All of the above costs should be paid in local currency or EURO. The EURO is the foreign currency most widely exchangeable in the former Yugoslav Republic of Macedonia, although other currencies can also be exchanged. While there are cash machines (ATMs) in Skopje, they do not dispense foreign currency and are not available in some areas of deployment. Hotels outside of Skopje may not accept credit cards. STOs should be prepared to pay hotel bills outside Skopje in cash, in local currency and upon check-in. Travellers cheques must not be used. The local currency in the former Yugoslav Republic of Macedonia is the Denar (MKD). The exchange rate is approximately 1 EUR = 61 MKD.

5. Visas and Insurance

Seconding States should confirm visa requirements for their STOs. If required, visas must be obtained at the nearest Embassy or Consulate of the former Yugoslav Republic of Macedonia prior to their arrival.

For STOs without an Embassy or Consulate of the former Yugoslav Republic of Macedonia in their country of residence, seconding States are requested to inform the OSCE/ODIHR office in Warsaw (Sylwia Zwolinska or Anna Krzysztofik), as soon as possible in order to receive support for issuance of visa upon arrival at the airport. Visas can only be issued at the airport in case an STO resides in a State without an embassy of the former Yugoslav Republic of Macedonia.

STOs receiving a visa at the airport must have two passport-size photographs with them. Issuance of the visa at the airport costs 35 EUR.

IMPORTANT: All short-term observers should ensure that they arrive with adequate health, accidental/life disability, emergency/medical evacuation, property, theft and accident insurance, as this will not be provided by the OSCE/ODIHR. **STOs must have a copy of their insurance policy with them, as well as two copies of the data page of their passport and the visa (if applicable).**

6. Registration and Accreditation Process

Registration of STOs

After receiving this information sheet, all OSCE participating States sending STOs should submit **a list of names** (first name, last name, passport number) of seconded STOs to the OSCE/ODIHR **to the attention of Sylwia Zwolinska or Anna Krzysztofik.**

STOs must be prepared to read briefing materials, attend briefing and de-briefing sessions, understand procedural instructions and complete evaluation forms accurately, all in English. Macedonian language ability is an asset. STOs must not have any concurrent commitments that could produce a conflict of interest with the EOM.

The OSCE/ODIHR reserves the right to reject any candidate who is not capable of undertaking his/her activities in an impartial and objective manner, and to withdraw accreditation in case of any serious breach of the OSCE/ODIHR Observer Code of Conduct.

DUTIES AND RESPONSIBILITIES

Briefing

Before deployment, STOs will be provided with an in-depth briefing, which will include:

- code of conduct;
- legislative framework;
- overview of the country, campaign and the media situation;
- voting, counting and tabulation procedures;
- observation forms;

STOs should abide strictly by the deployment plan and security instructions. STOs should not request special treatment with regard to deployment locations.

A debriefing for STOs will be organized after the election. This will provide an opportunity for STOs to discuss their major findings and share their conclusions with other observers and EOM members. The EOM will hold a press conference on the day after the elections to present its preliminary findings and conclusions. A comprehensive final report will be issued by the OSCE/ODIHR approximately two months after the election process has been completed, taking into account findings of all observers.

- Observers will base all conclusions on their personal observations or on clear and convincing facts or evidence.
