

# **Support to Regional Economic Cooperation in Central Asia**

## **Kazakhstan, Kyrgyzstan, Tajikistan, Uzbekistan**

# ***Introducing Electronic Single Windows to Central Asia***

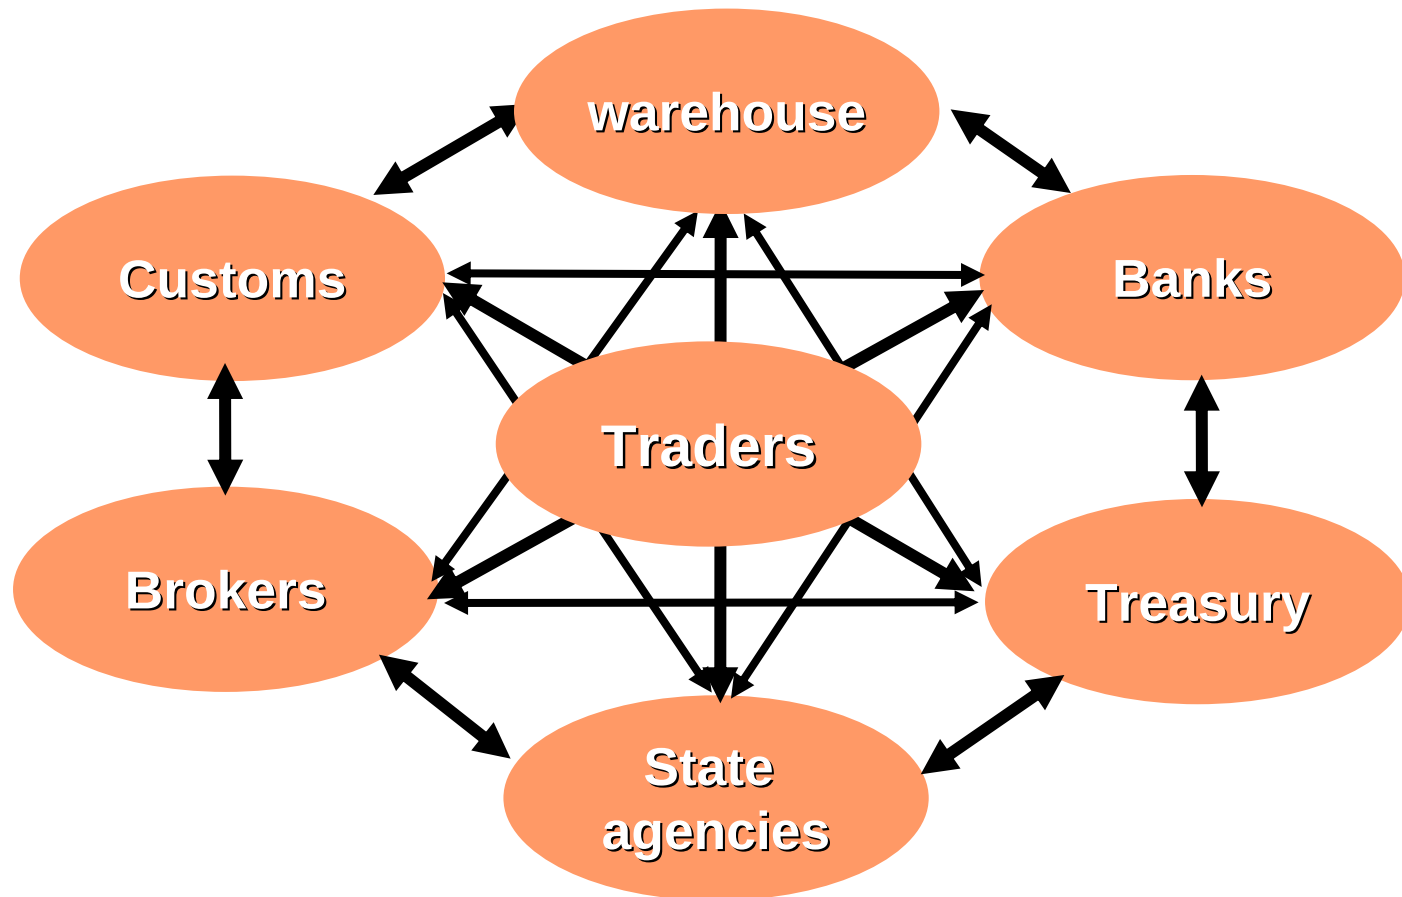

**Almaty 13/7/2010**

**Jonathon Hornbrook, GTZ-Programme Manager**

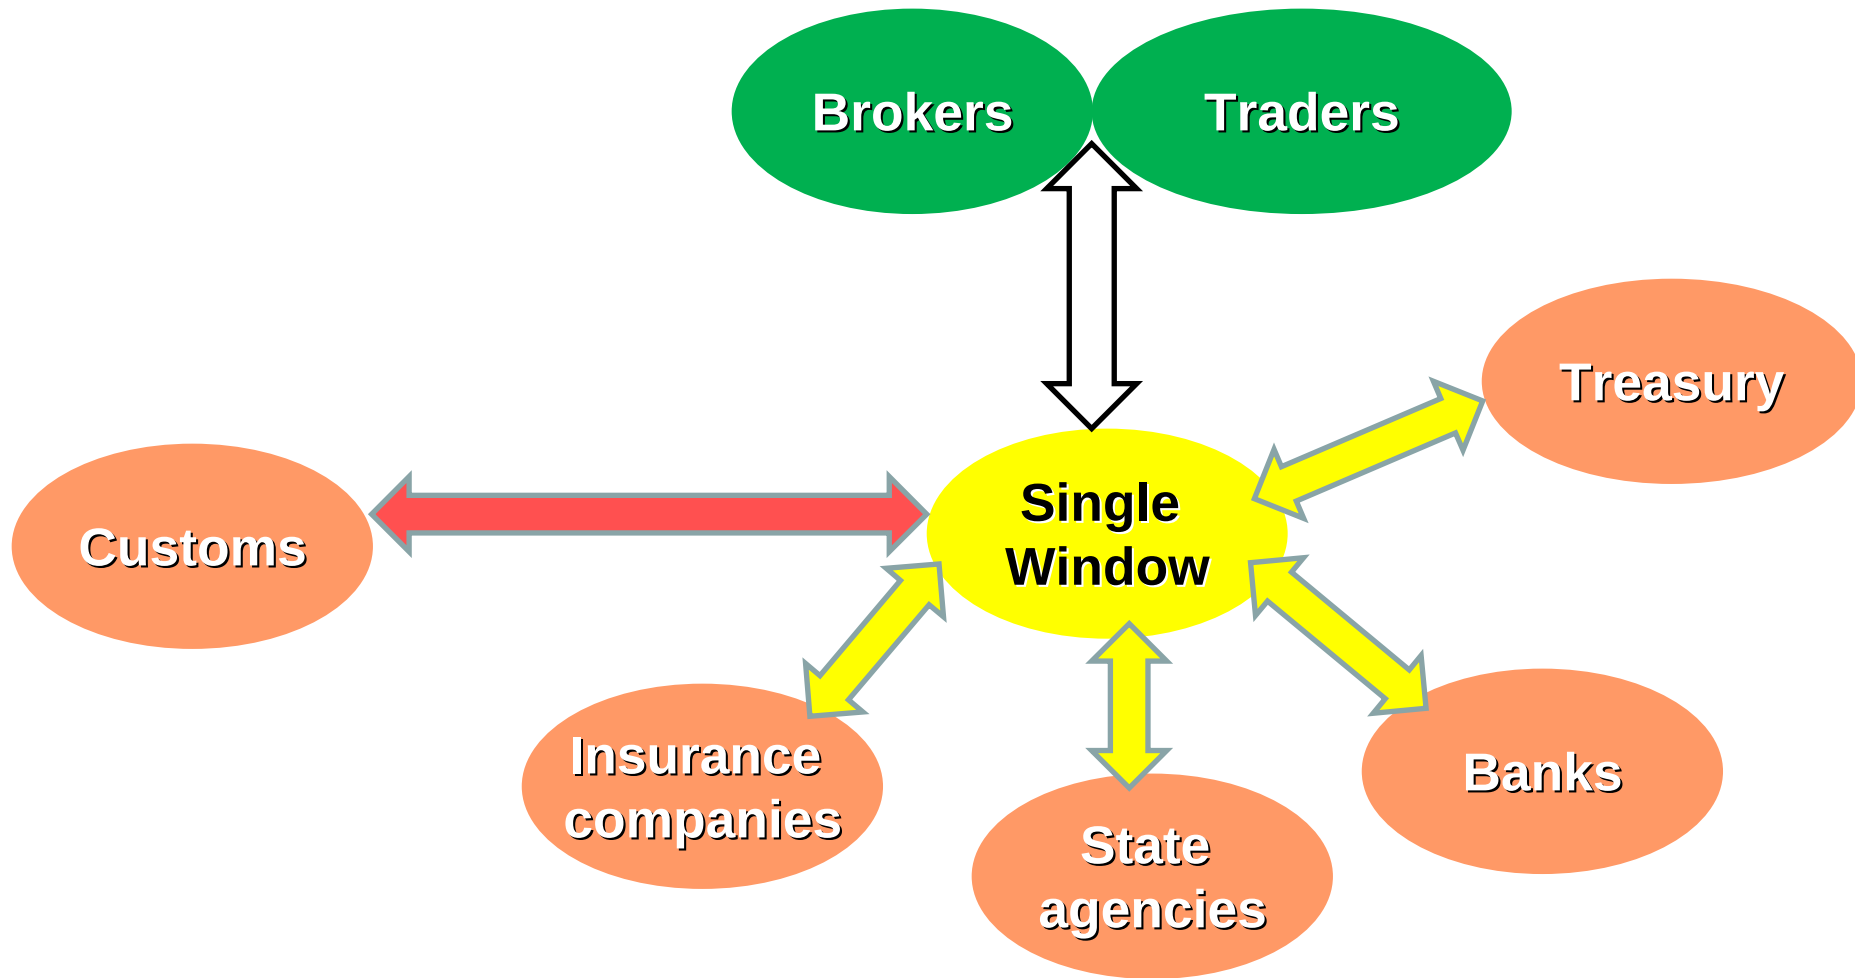

- Encourage **your active participation** & support for PCSW!
- 1. PCSW inevitable
- 2. PCSW is good for customs' reputation

# Situation today...

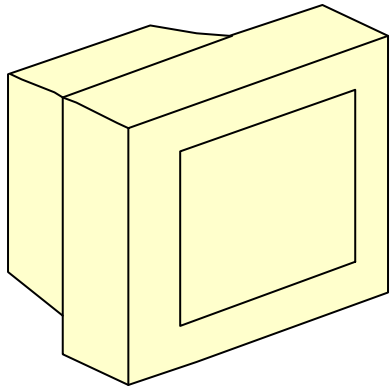

# Single Window

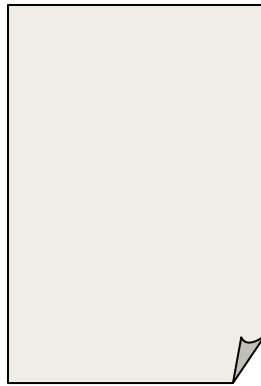

for export/import procedures

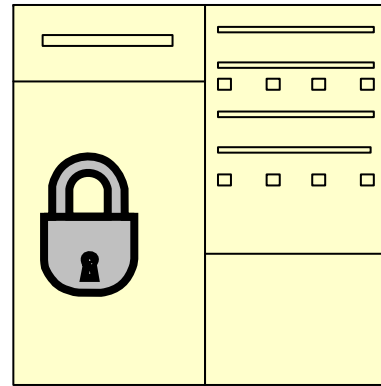

# The fully integrated system

**Single window**

**Single  
Admin.  
Document**

**Customs IT  
system**

**1 stop shop**

# Advantages of PCSW

- **Clear list** of documents required / duties
- Simple **access**/ reduced human contact
- Advanced **info** for **risk management**
- Customs officers just **verifies** truck contents corresponds to **SAD**
- Reliable **statistics** macro/ agency/ individual
- More **income** for state

- Already **exists** in several countries
- Software **standard**
- Reduce formalities to **2 days** max
- Cost **3-7 mio \$**
- Improve **EDB** rank and **GDP**

# Your head of Customs **must**

- **openly** declare his support
- **supply** modest resources
- **push** at highest level!
