

# HATE MONITOR

AUGUST 2024

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

#### Highlighted

In August, Mostar's local administration, communal enterprises, law enforcement, and civil society collectively pledged to implement actionable measures outlined in the Mostar Community Cohesion Action Plan. These initiatives are centred on establishing a security co-ordination network designed to enhance collaboration among key stakeholders in local security, thereby contributing to the prevention of hate-related incidents.

The Hate Monitor provides an update on all potential hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report.
