**INTERPRETATIVE STATEMENT  
UNDER PARAGRAPH 79 (CHAPTER 6) OF THE  
FINAL RECOMMENDATIONS OF THE HELSINKI CONSULTATIONS**

By the Delegation of Spain:

“In connection with the decision that has just been adopted by the OSCE Permanent Council, the Delegation of Spain wishes to make the following statement:

- This decision does not in itself imply the assumption by Spain of any additional commitment in relation to the OSCE budget for 2002 and subsequent years.
- We undertake to continue studying in the same constructive spirit as always, within the informal Financial Committee, possible amendments to the Helsinki Scale, but this does not in any way imply acceptance by Spain of the proposals contained in the Perception Paper drawn up by the Chairman of the Open-Ended Working Group on the Helsinki Scale of Assessment (document PC.IFC/136/01 of 21 November).
- The Spanish position was clearly stated at the meeting of the above-mentioned Working Group held on 12 October this year (document PC.IFC/113/01 of that date).

Spain requests that this interpretative statement be attached to the journal of today’s meeting of the Permanent Council.”
