

HATE MONITOR

JUNE 2020

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

In June, the OSCE Mission to BiH and World Vision distributed parcels of food and personal hygiene items to 171 Roma families in nine municipalities, and to 310 families in need in an additional eleven municipalities. Local social cohesion groups identified potential beneficiaries and assisted the Mission in delivering this much needed assistance, in many cases to remote areas.

The Hate Monitor provides an update on all potential hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report.
