OSCE 2010 REVIEW CONFERENCE

Warsaw, 6. Oct. 2010

Working Session 7 - Tolerance and non-discrimination I

The Sinti Allianz Deutschland (Sinti Alliance Germany) underlines strongly the recommendation of the Advisory Committee on the Framework Convention for the Protection of National Minorities that the German authorities have to take the diversity of the Roma and Sinti population into account and give public subsidies to a larger number of organizations, which represents this group.
