

INTEGRATING A GENDER PERSPECTIVE IN INTELLIGENCE SERVICES

23 FEBRUARY 9:00 - 10:30 EST
15:00 - 16:30 CET

- Ø What are good practices in integrating gender into intelligence services?
- Ø How to integrate a gender analysis into surveillance practices and intelligence strategies?
- Ø What are the gendered risks of the use of surveillance technologies and practices by intelligence agencies?
- Ø What role should oversight bodies and civil society play?
