

**PERMANENT MISSION OF THE REPUBLIC OF SERBIA TO THE
OSCE AND OTHER INTERNATIONAL ORGANIZATIONS IN
VIENNA**

**STATEMENT BY THE DELEGATION OF THE REPUBLIC OF SERBIA AT THE
711 MEETING OF THE FORUM FOR SECURITY CO-OPERATION**

27th February 2013

Thank you, Madam Chair.

On behalf of the Republic of Serbia I would like to express gratitude for the valuable contribution, first this year, which the Republic of Hungary intends to make for the practical implementation of the OSCE–UNDP Capacity Development Programme for Conventional Ammunition Stockpile Management (CASM) in the Republic of Serbia. Our Hungarian friends and neighbours have supported security and defence sector reform on numerous occasions.

I use this opportunity to thank all other partners in the CASM Programme, Germany, Denmark, Spain, France, United Kingdom, Luxembourg, Norway, Switzerland, Czech Republic, and Turkey for their valuable contributions as well as the Conflict Prevention Centre, FSC Support Section and Lt. Colonel László Szatmári, FSC coordinator on SALW and stockpiles of conventional ammunition projects for their tireless work on the CASM Programme.

The Republic of Serbia is looking forward to close co-operation with all partners involved during implementation of the project.

Thank you, Madam Chair.
