PC Journal No. 31, Agenda item 6

DECISION No. 66

The Permanent Council decides to extend the mandate of the High-Level Planning Group (HLPG) until 31 December 1995 at a reduced staffing level, including personnel seconded by participating States.

The unexpended portion of the HLPG budget will be allocated to the budget for the remaining staff. This budget may only be used for operational expenses and not for investment expenditure.

The Permanent Council instructs the informal Financial Committee of Experts to consider the financial implications of the extension of the HLPG mandate and to submit a draft budget to the Permanent Council for decision.
