

HATE MONITOR

OCTOBER 2015

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

On 27 October, the Coalition against Hate Zanemari razlike from Sarajevo organized its third annual conference, titled Which Religion Preaches Hatred of Others?. Representatives of the four most represented monotheistic religions in Bosnia and Herzegovina pointed out that no one should be propagating hate in the name of any religion.

The Hate Monitor provides an update on all hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report each month.
