

**Report on the Activities of the Chairperson-in-Office
912th Meeting of the Permanent Council, 17 May 2012**

- The Human Dimension Seminar on the Rule of Law Framework for Combating Trafficking in Human Beings took place over three days this week in Warsaw. It gathered experts, practitioners, and civil society representatives for an interactive and constructive dialogue on ways to strengthen the rule of law to protect victims' human rights and ensure them better access to justice.
