The Ministerial Council,

Recognizing the need to address the challenges identified in the OSCE Strategy to Address Threats to Security and Stability in the Twenty-First Century,

Recalling paragraph 15.7 of the Vienna Document 1999, which encourages participating States to hold periodic high-level military doctrine seminars, and noting that such seminars seek to improve mutual relations between participating States by fostering the process of transparency, openness and predictability, and

Recognizing the value of conclusions and recommendations issuing from the military doctrine seminar being considered by the OSCE/FSC,

Welcomes the military doctrine seminar as a means to enhance the security dialogue and the work of the FSC; and

Endorses and underlines the importance of FSC Decision No. 3/05 of 29 June 2005 to hold a high-level military doctrine seminar in Vienna on 14 and 15 February 2006, to examine changes in military doctrine derived from evolving threats, changing forms of conflict and the emergence of new technologies.
