Session V : Awareness- raising and economic integration in countries of destination

Moderator: Ms. Susan Martin, Migration Expert, Georgetown University Washington
Rapporteur: Mr. Danielius Pivoriunas, Economic and Environmental Adviser, OSCE
Mission to Bosnia and Herzegovina

- **OSCE should:**
- **Contribute towards mitigating the negative impact of migration, through seeking synergies with regional inter-governmental dialogues on migration issues;**
- **In cooperation with other relevant organizations should seek to provide assistance in developing/improving national policy framework, legislation and to implement integration and anti-discrimination programs in participating states;**
- **In cooperation with relevant international organizations should promote implementation of relevant international conventions and agreements to protect the rights of migrants, facilitate comprehensive integration of migrants in countries of destination;**
- **Assist participating states to implement national and international laws in coherent and integrated way, bringing social dialogue and policies to action;**
- **Develop programs to mitigate migration and brain drain by raising awareness and providing economic opportunities at home;**
