

SUPPLEMENTARY HUMAN DIMENSION MEETING

Freedom of Religion or Belief, Fostering Mutual Respect and Understanding

2-3 July 2015

Hofburg, Vienna

SIDE EVENTS INFORMATION

NGOs, International Organizations, governments and other registered participants of Human Dimension Meetings are encouraged to organize side events (SEs) on relevant Human Dimension issues.¹ Side events provide an opportunity for the participants to discuss issues that have not been fully covered during the working sessions, since only limited time is assigned to each of the topics. Side events are meant to facilitate informal discussions among representatives of governments, NGOs and international organizations.

ODIHR will co-ordinate the organization of side events and make the necessary venue arrangements. The organizer of a side event will be responsible for its logistics (catering, presentations facilities, interpretations, financing etc.) and for its content, which does not necessarily reflect the views of the OSCE.
