INFORMATION SHEET
REQUEST FOR SHORT-TERM OBSERVERS

REPUBLIC OF TÜRKIYE
GENERAL ELECTIONS
14 May 2023

Following an official invitation from the authorities of Türkiye to observe the 14 May general elections, and in accordance with its mandate, ODIHR has established an Election Observation Mission (EOM) for these elections. Ambassador Jan Petersen has been selected Head of the ODIHR EOM. The mission consists of 14 core team members based in Ankara and 28 long-term observers (LTOs) deployed throughout the country. The core team and LTOs come from a variety of OSCE participating States, as per standard methodology.

ODIHR requests participating States to second 350 (three hundred fifty) short-term observers (STOs) to observe voting, counting, and the tabulation of results. STOs will be deployed in multinational teams of two, under a deployment plan prepared by the ODIHR EOM. In the interest of a broad and balanced representation among participating States, ODIHR requests that individual participating States nominate only up to 15 percent of the total number of requested STOs.

To ensure a better gender balance in its activities, ODIHR strongly encourages the OSCE participating States to second equal numbers of women and men as short-term observers.

Seconding States should confirm visa requirements for their STOs. If required, visas should be obtained at the nearest embassy or consulate of Republic of Türkiye prior to arrival.

To facilitate the accreditation of observers through the Supreme Electoral Council (SEC) and the issuance of visas (if required), the ODIHR online mission registration form must be completed **no later than 26 April 2023**.

STOs are required to arrive in Ankara by Wednesday, 10 May (by 17:00 at the latest) and depart on Wednesday, 17 May (at the earliest). The STO schedule is provided below.

Given the possibility of a potential second round of elections on Sunday, 28 May, participating States may expect a second request for short-term observers with a very short deadline for registration. Participating States are therefore encouraged to select observers for the potential second-round elections who already observed the first round on 14 May and thus will already be accredited.

Observers should strictly abide by the [Code of Conduct for ODIHR Observers](#) and the deployment plan prepared by the ODIHR EOM. Observers should also familiarize themselves with the [Guide on the OSCE Policy against Harassment, Sexual Harassment and Discrimination](#). The security and safety of observers is the highest priority and will take precedence in EOM activities, including the deployment plan. However, seconding States are required to ensure that their observers adhere to national rules and regulations related to entry, including with regard to potential requirements related to PCR testing and health insurance which covers the treatment of COVID-19 in Republic of Türkiye. All observers will receive security and Code of Conduct briefings and are required to operate in accordance with security guidelines and other EOM instructions.

The working language of the EOM is English. All briefings, debriefings, and reporting will be in English, and all interpreters will work in local languages and English. All STOs must therefore have a good working knowledge of both written and spoken English.

ODIHR strongly encourages all observers to undertake the ODIHR comprehensive e-learning course for observers, available at www.odihrobserver.org.

STOs are requested to familiarize themselves with the ODIHR Election Observation Handbook, available online at www.osce.org/odihr/elections/68439.

STOs are kindly asked to refrain from commenting on mission-related issues via social media. In line with the [Code of Conduct for ODIHR Observers](#), media communications regarding the electoral process and the substance of observations should be made only by the Head of Mission, ODIHR Spokesperson, or other responsible ODIHR officials.

A COPY OF THIS INFORMATION SHEET IS AVAILABLE ON THE ODIHR WEBSITE AND SHOULD BE MADE AVAILABLE TO ALL SECONDED STOs.

Wed	10 May	Last date for <u>arrival</u> in Ankara (by 17:00 at the latest)
Thu	11 May	STO briefing (entire day)
Fri	12 May	STO deployment
Sat	13 May	Familiarization with areas of observation
Sun	14 May	Election Day
Mon	15 May	Observation of tabulation / Regional debriefing of STOs
Tue	16 May	STOs return to Ankara / Equipment return

STOs are kindly requested to adhere to the deployment timetable. STOs who cannot arrive in time for the briefing or who wish to depart prior to the debriefing will not be accepted by ODIHR.

a) Briefing

Upon arrival to Ankara, STOs will be provided with an in-depth briefing, which will include:

- code of conduct and professional working environment;
- legislative framework;

- overview of the country, political and campaign and the media environment;
- voting, counting, and tabulation procedures;
- observation forms;
- security advisory, including COVID-19 precautions;
- logistical and financial arrangements.

STOs will also be provided with briefing materials which will include all necessary electoral and logistical information, as well as observation forms to complete during the observation of voting, counting, and tabulation.

b) Deployment

The ODIHR EOM will develop a deployment plan. STOs should strictly abide by all aspects of the deployment plan (location, partner assignments, deployment times) and security instructions. No special requests can be accommodated regarding any aspect of the deployment plan.

In respect of in-country travel organized by ODIHR, please note that **STOs are required to complete the standard OSCE Liability Release Form** and attach it to the online mission registration **form by 26 April 2023**.

c) Debriefing

A debriefing for STOs will be organized after the elections. This will provide an opportunity for STOs to discuss their main findings and share their conclusions with other observers and EOM members.

The EOM will hold a press conference on the day after the elections to present its preliminary findings and conclusions. A comprehensive final report will be issued by ODIHR some months after the election process has been completed, taking into account findings of all observers.

2. Logistics and Security

a) Contact details

All logistical arrangements for the STOs will be organized by the EOM under the direction of:

Pawel Jurczak and Andrea Cecchi, Operations Experts

e-mail: pawel.jurczak@odihr-turkiye.org
andrea.cecchi@odihr-turkiye.org

b) Transportation/Accommodation

All STOs will be met at Ankara Esenboga International Airport by an ODIHR EOM representative upon their arrival and transported to their accommodation. Transport and accommodation in Ankara and in the areas of observation will be arranged by the EOM.

IMPORTANT: Some hotels in Ankara require guests arriving/departing in the early morning hours to pay the full overnight rate.

For safety reasons, particularly in the current health environment, and to prevent problems with transportation, observers are expected to use the accommodation arranged for them by the ODIHR EOM. The EOM will also make all arrangements for in-country travel to deployment areas and for on-site drivers, cars, and interpreters.

If ODIHR is not notified in advance, STOs or the respective OSCE seconding State will be charged for the cost, regardless of whether the accommodation provided is used. The EOM cannot provide airport transfers and in-city transportation for STOs who choose to stay outside the designated accommodation.

STOs will deploy from Ankara to the regions by bus or car, trains, and airplanes. STO deployment will be planned in accordance with national regulations and the EOM's COVID-19 safety guidelines.

The ODIHR EOM will make necessary arrangements for the STOs to return to Ankara on Tuesday, 16 May and will arrange accommodation in Ankara. On return, the accommodation may be organized in a different hotel, depending on availability. The EOM will arrange transfers to the airport for all STOs accommodated in designated hotels.

c) Security

STOs must adhere to the [Code of Conduct for ODIHR Observers](#), as outlined in the ODIHR Election Observation Handbook, and the [Guide on the OSCE Policy against Harassment, Sexual Harassment and Discrimination](#), as well as security instructions, national laws and national regulations related to the prevention of COVID-19.

A memo on security details for the STOs will be provided to all observers, including guidelines related to the procedures to promote the safe conduct of mission activities during the COVID-19 pandemic. STOs who do not stay in accommodation provided by the ODIHR EOM will not be covered by the mission's security arrangements.

d) Luggage/Essential Items

Due to potentially modest conditions in some regions, STOs are advised to bring with them the following items:

- appropriate attire for election day observation – business casual is recommended;
- personal protection equipment such as face masks, and hand sanitizer (the ODIHR EOM will provide additional PPE with the STO briefing pack in accordance with the pandemic situation in the country);
- torch/flashlight with a spare battery;
- all necessary medication (case-specific);
- weather adequate clothing;
- electricity converters (if needed) – European-style plug (type C or F).

The ODIHR EOM strongly recommends that STOs, when travelling by air, put essential items into their hand luggage, in case of late arrival of their luggage in Ankara.

e) Communication

Each STO team member will be provided with a mobile phone and a local SIM card with credit, for work-related usage. Within each team, one member will have use of a smartphone and the other member will have use of a simple mobile phone. Please note that mobile phones would be blocked for international calls and SMSs.

f) Time zone/Flight bookings

Local time in Ankara is under Central European Time: UTC +3 hours. The ODIHR EOM strongly encourages seconding States to make early flight bookings. To ensure operational flexibility, (e.g. in case of bad weather conditions), seconding States are advised to book changeable airline tickets.

3. Interpreters and Drivers

All observers will be organized in multi-national teams of two people under a deployment plan prepared by the ODIHR EOM. The ODIHR EOM will assist each STO team with finding a driver/car and an interpreter. Even in cases where one team member speaks local languages, it will be necessary

for that team to have an interpreter to ensure that both members of the team can have full access to complete and equal information as they carry out their observation duties.

4. Costs

It is projected that, while in the country, **each STO** will incur the following costs:

Operational/Transportation Cost	EUR
Airport transfers	90
In-city transportation (to and from STO briefing/de-briefing)	20
In-country transportation (to and from deployment area)	300
Communication (SIM card/mobile phone/e-pen use)	100
Briefing costs (briefing, debriefing, briefing pack, meals)	300
Estimated cost to be incurred by ODIHR on behalf of STOs	810 EUR
Driver/Car (EUR 40 per day @ max 5 days per observer)*	200
Fuel (EUR 15 per day @ max 5 days per observer)*	75
Interpreter (EUR 40 per day @ max 5 days per observer)*	200
STO accommodation, meals & incidentals (max 7 nights @ max EUR 155/per night)	1085
Accommodation and meals for interpreter if needed (EUR 45 per night @ 4 nights per observer maximum)*	180
Accommodation and meals for driver if needed (EUR 45 per night @ 4 nights per observer maximum)*	180
Costs paid directly by the observers	1,920 EUR
Total cost per observer:	2,730 EUR

* The two members of each STO team will share equally the cost of drivers and interpreters. The amount above therefore represents half of these costs (i.e. for each STO).

The total cost per observer is estimated at **EUR 2,730** (two thousand seven hundred thirty Euro), of which **EUR 1,920** (one thousand nine hundred and twenty Euro) the seconding States should supply to each observer in cash prior to their departure to Türkiye. **The ODIHR EOM is not able to validate or certify documents related to costs paid directly by the observers (receipts, invoices, contracts, etc.).**

EUR 810 (eight hundred ten Euro) is the projected cost per each STO to be incurred by ODIHR. After closure of the EOM, each seconding State will be billed by ODIHR on the basis of total actual

expenses incurred and the number of seconded STOs. Payment instructions will be provided to the seconding States with the final invoice.

All of the above costs should be paid in Euro or Turkish Lira. Other major currencies may also be exchanged in banks or exchange offices. Cash machines (ATMs) are available in Ankara and other cities of deployment, but they may not be available all around the country. Hotels in Ankara and other cities of deployment generally accept credit cards, but some shops and restaurants may not accept such payment method. Travellers' cheques must not be used.

5. Visas and Insurance

a) **Visa**

Seconding States should confirm visa requirements for their STOs. If required, visas must be obtained at the nearest embassy or consulate of Republic of Türkiye prior to arrival.

b) **Insurance**

STOs should ensure that they arrive with adequate health (including COVID-19), accident/life/disability, emergency/medical evacuation, property, accident and theft insurance, as this will not be provided by ODIHR. **STOs must have a copy of their insurance policy with them, as well as two copies of the data (main) page of their passport and the visa (if applicable).**

c) **COVID related requirements**

Currently, COVID-19 travel restrictions have been lifted in Republic of Türkiye and proof of vaccination, recovery from COVID-19 or a negative test result is not required for entry. Nonetheless, all focal points and STOs are advised to check entry requirements prior to departure. Keep in mind that airline and transit country requirements may differ, and they may require a PCR test and/or vaccination certificate to board the plane or for transit.

While in the country, STOs should follow all applicable national protocols and regulations as well as ODIHR safety procedures, including those related to the use of PPE.

6. Registration and Accreditation Process

After receiving this Information Sheet, all OSCE participating States considering secondment are requested to inform ODIHR on the number of STOs (to the attention of Sylwia Zwolinska or Anna Krzysztofik; e-mail: sylwia.zwolinska@odihr.pl, anna.krzysztofik@odihr.pl no later than **18 April 2023**).

To be nominated by the seconding States, STOs are required to create a personal account in the ODIHR Election Expert Database, fully complete their profile, and share it with their national focal point. The seconding States are requested to submit the names of proposed STOs using the Election Expert Database as soon as possible and no later than **18 April 2023; 17:00** (Warsaw Time).

After the nomination deadline, ODIHR will consider the overall number of nominations received and confirm the final numbers it is in a position to receive from each seconding State and, subsequently, enable the focal point to proceed with the on-line registration.

In respect of in-country travel organized by ODIHR, please note that STOs are required to complete the standard OSCE Liability Release Form and attach it to the on-line mission registration form **by 26 April 2023**.

For the purposes of accreditation of STOs with the Supreme Electoral Council of Republic of Türkiye, the online mission registration form must be completed and supporting documents attached by the end of **26 April 2023**.

The seconding States which have not requested access to the Election Expert Database as a national Focal Point yet or require additional guidance on the observers' registration process should contact Sylwia Zwolinska or Anna Krzysztofik; e-mail: sylwia.zwolinska@odihr.pl, anna.krzysztofik@odihr.pl

An official cover letter from the Ministry of Foreign Affairs of the seconding State or designated national focal point should be sent together with the list of STO names to the attention of Sylwia Zwolinska or Anna Krzysztofik (e-mail: sylwia.zwolinska@odihr.pl, anna.krzysztofik@odihr.pl) by **26 April 2023**.

**IN ORDER TO MAKE ALL LOGISTICAL ARRANGEMENTS ON TIME,
NO APPLICATIONS WILL BE CONSIDERED BY ODIHR UNDER ANY
CIRCUMSTANCES AFTER 26 April 2023.**

STOs must not have any concurrent commitments that could produce a conflict of interest with the ODIHR EOM.

ODIHR reserves the right to reject any candidate who is not capable of undertaking his/her activities in an impartial and objective manner, and to withdraw accreditation in case of any serious breach of the [Code of Conduct for ODIHR Observers](#).
